

Democrats Pick Party Whip In Senate Today

WASHINGTON (AP) — Democratic senators today pick a party whip to succeed Vice President-elect Hubert H. Humphrey, choosing Sens. Russell B. Long, John O. Pastore or A. S. Mike Monroney.

Long, of Louisiana — a frequent opponent of administration measures, including last year's civil rights bill — claimed in advance of the closed session he was within three votes of a first-ballot victory.

But Pastore of Rhode Island, who made the keynote address at the 1964 Democratic National Convention, and Monroney of Oklahoma, who insisted he was the second choice of a majority in the event of a deadlock, said it was anybody's race.

Mansfield Stays On

The selection of a whip — or, officially, assistant majority leader — was the major business of the Democratic caucus.

The re-election of Sen. Mike Mansfield of Montana as majority leader was a foregone conclusion. The caucus also was to pick other party officials, including a secretary of the Democratic conference, with Sen. George A. Smathers of Florida expected to be re-elected.

Mansfield, who took no sides in the whip fight — said he would move for a succession of secret ballots, eliminating the candidate with the lowest count on any ballot until one wins a majority.

There appeared little likelihood of a contest in a separate caucus of the Senate's 32 Republicans starting 30 minutes later.

Dirksen Sure Choice

Talk of an effort to unseat Sen. Thomas H. Kuchel of California as Republican whip under Minority Leader Everett M. Dirksen of Illinois has just about died out. The talk was based on Kuchel's refusal to campaign for Sen. Barry Goldwater of Arizona, the GOP presidential candidate.

Dirksen's re-election appeared likely to be unanimous. A group of liberal senators headed by Clinton P. Anderson met in the New Mexico Democratic office Sunday and decided to launch a fight after Congress opens today to change the rule on filibusters.

To end debate now requires a two-thirds majority of senators voting. Anderson plans to move to amend the cloture rule so that a filibuster can be broken by the vote of three-fifths of those voting. Thus if all 100 senators were on hand debate could be stopped by 60 rather than 67 senators.

Kennedys First Senate Brother Team Since 1800

WASHINGTON (AP) — The Kennedys today become the Senate's first brother team in 162 years.

Robert F. Kennedy, who won the New York Senate race in November after resigning as attorney general, joins Sen. Edward M. Kennedy of Massachusetts on the Democratic side of the aisle.

They are brothers of the late President John F. Kennedy. Edward at 32 is the Senate's youngest member. Robert is 39.

The last time the Senate had a brother team was from 1800 to 1803, when Theodore Foster represented Rhode Island and Dwight Foster represented Massachusetts.

Weather

By The Associated Press

Upper Peninsula—Fair and a little warmer this afternoon, to night and Tuesday. Low tonight 20 to 25, high Tuesday 35 to 40.

Lower Michigan—Sunny west, clearing east, and warmer this afternoon. Fair with little temperature change tonight, low 23 to 31, sunny and warmer Tuesday, high 38 to 46.

The sun sets today at 5:05 p. m., and rises Tuesday at 8:13 a. m.

Johnson May Reveal Plans For Tax Cuts

WASHINGTON (AP)—President Johnson may take the wraps off some tax-cut and budget secrets in his State of the Union message tonight.

First, however, he accepted an invitation to attend special religious services marking the opening of the 89th Congress. The morning services were scheduled at the National Presbyterian Church, eight blocks from the White House.

The President was still putting finishing touches on his annual message, to be delivered personally at a joint session of the Senate and House at 9 p. m. EST. The speech, which the President hopes will set guide marks for the work of Congress in the busy year, will be broadcast live by television and radio networks.

Details Later

Johnson was departing from tradition in making it an evening speech. Most presidents have addressed Congress during the noon hour but Johnson wanted to get maximum television and radio exposure in unveiling a preliminary blueprint of what he calls his "Great Society" program.

The chief executive will touch on major legislative proposals to be submitted in the weeks ahead. But he was not expected to go into detail on these, leaving that for special messages to be sent to Congress later.

If he follows last year's pattern, he also will disclose the broad outlines of the new federal budget to be submitted later in the month. For the second straight year he was expected to announce annual federal spending at less than \$100 billion.

No Surprises Expected

There was a possibility, too, Johnson would put a dollar figure for the first time on the size of the excise-tax cut he will ask Congress to approve effective July 1. There has been speculation the proposed tax cut might approach \$2 billion.

In addition to discussing domestic policies and programs, presidents usually devote part of their State of the Union messages to foreign affairs. There were no advance hints that Johnson planned any surprises in this area.

Johnson returned to Washington Saturday after a 13-day holiday stay at his Texas ranch. Sunday he attended morning services at the National City Christian Church and visited the grave of President John F. Kennedy in Arlington National Cemetery. Mrs. Johnson was with him, as were Mr. and Mrs. Marvin Watson of Dallas. Johnson has been trying to enlist Texas Democratic chairman, as a member of the White House staff.

Reckless Action Ruled Out In Viet Nam War

WASHINGTON (AP) — Secretary of State Dean Rusk has counseled against "reckless action" in Viet Nam and said he would not have the United States abandon the war or expand it.

Rusk also ruled out for the time being a political settlement of the struggle against the Viet Cong guerrillas — a drawn-out affair in which the United States have invested men, money and materials.

The South Vietnamese can turn back the Communist insurgents, President Johnson's chief foreign policy adviser maintained Sunday as he reviewed the war and the international scene generally in a year-end review on the NBC television network.

Rusk conceded he shares with many Americans "a sense of frustration that things are not somehow moving more rapidly toward a conclusion." But, he said, the situation calls for persistence and coolness, not

"reckless action which would move us over thoughtlessly in either the direction of defeat or in the direction of a very great catastrophe."

Along the way, he said he does not favor expanding the struggle or having the United States pull out of it.

The first, he said, would subject Asians to devastation and lead down a trail "the end of which no one in any country could possibly see with assurance." The second, he said, would encourage Communist China to become more aggressive.

He dismissed a political settlement — a third alternative to present policy — as impossible because the Communists have refused to give up their aggressive designs.

Elsewhere the debate on Viet Nam continued as four senators urged a re-evaluation of the U.S. role in the Southeast Asian country and Japan's new prime minister, Eisaku Sato, said in a copyright interview in U.S. News & World Report that Viet Nam will be an important subject during his forthcoming talks with Johnson.

Sukarno Plans Rival To UN

JAKARTA, Indonesia (AP) — Indonesian President Sukarno is expected to try to form an organization of young nations as a rival to the United Nations.

It is believed here that Indonesia's opposition to the seating of Malaysia on the U.N. Security Council was only a pre-text for quitting the world organization, which the Indonesians claim has "degenerated into a mere tool" of the United States and Britain.

Sukarno is thought to envision Indonesia taking the lead in a new organization of what he calls the Nefos — new emerging forces — as against the Oldfords — old established forces. He has had no success with such ideas in the past.

In 1963, Sukarno got little support when he withdrew Indonesian athletes from the Olympic Games and set up the games of the new emerging forces — Ganefo.

Nor did he draw much support last October at the second conference of nonaligned nations in Cairo when he said their approach was outdated and should be replaced by his concept of the new emerging forces.

However, Sukarno might propose a regional grouping similar to the Organization of African Unity that would not require other nations to pull out of the United Nations. An occasion for him to put forth this proposal would be the second African-Asian conference in Algiers in March.

Ford New GOP House Leader

WASHINGTON (AP)—Rep. Gerald R. Ford of Michigan was chosen to lead House Republicans in the 89th Congress today, unseating Rep. Charles Halleck of Indiana.

Ford, 51, backed by younger members who wanted a "fresh, forceful image" for their party, defeated Halleck 73-67. Halleck, 64, had held the job for six years.

Woman Perishes In Flaming Car; 10 Planes Burn

LA PORTE, Tex. (AP) — A woman was trapped and burned to death and her husband injured when their car left a highway Sunday night, hurtled through an airplane hangar and burst into flames. Ten airplanes were destroyed.

The woman was Mrs. Paul Troy Crawford, 23, of Houston. Her husband, 34, was hospitalized with second- and third-degree burns.

Cliff Hyde, owner of the flying service bearing his name, said several other aircraft were damaged. He estimated damage to the planes at \$120,000 and extensive damage to his new \$33,000 hangar.

The hangar at the La Porte Municipal Airport east of Houston is located only about 20 feet from the highway.

Death Records All Broken In Holiday Travel

By The Associated Press
The nation ended its three-day observance of the New Year at midnight Sunday, breaking all previous traffic death records for the holiday and surpassing the worst fears of traffic experts.

Highway accidents during the 78-hour period claimed 453 lives, passing the New Year's high mark set during a four-day holiday in 1955-56 when 409 persons died. The previous three-day record was 374 in 1959-60.

Before the holiday started, the National Safety Council estimated that between 300 and 360 persons might be killed in traffic.

California, with 69 fatalities, recorded the highest number of deaths and broke its three-day New Year's record toll of 46, set in 1960.

A spokesman for the California Highway Patrol, Kent Milton, said he is "sure alcohol will be found to be a tremendous factor" in accounting for the bleak toll.

For comparative purposes, The Associated Press counted traffic deaths during a non-holiday three-day weekend last month. The total then was 396.

Last week, 578 deaths were counted during the three-day Christmas period.

California's toll far surpassed the next nearest state — Texas, with 45 fatalities. New York and Illinois followed with 24 each. Only eight states went through the holiday without a traffic death — Alaska, Delaware, Hawaii, North Dakota, Rhode Island, South Dakota, Vermont and Wyoming.

The safety council said 1964 traffic deaths are expected to reach a record 48,000. The council plans to report the 12-month totals later this month.

Michigan Has 7 New Members

WASHINGTON (AP) — Sen. Philip A. Hart, D-Mich., who easily won a second six-year term in the Senate in the Nov. 3 election, takes a new oath of office soon after the new Congress convenes at noon today.

In a similar swearing-in ceremony for the 435-man House, seven new members from Michigan, all Democrats, take their oaths of office. They are Reps. John Conyers, Weston E. Vivian, Paul H. Todd, John C. Mackie, William D. Ford, Raymond F. Cleverger and Billie S. Farnum.

The other Michigan House members, all of whom will be sworn in for new terms, are Reps. Edward Hutchinson, Gerald R. Ford, Charles E. Chamberlain, James Harvey, Robert P. Griffin, Elford A. Cederberg and William S. Broomfield, all Republicans, and James G. O'Hara, Charles C. Diggs, Lucien N. Nezdi, John D. Dingell and Martha W. Griffiths, Democrats.

Fireworks Certain In Congress Today

HOUSE SPEAKER John McCormack, D-Mass., (center) joins in a three-way greeting with Rep. Carl Albert, D-Okla., (left) and Rep. Hale Boggs, D-La. McCormack is slated to continue as Speaker, Albert as Democratic leader and Boggs as assistant leader in the new Congress opening today. (AP Wirephoto)

Joint Session Tonight Will Hear President

WASHINGTON (AP) — The heavily Democratic 89th Congress convenes at noon today with some opening-day fireworks a certainty.

Leadership contests in the House and Senate, skirmishing over rules of procedure and a challenge to the seating of Mississippi's House members promise to enliven the festive air that always marks the start of a new Congress.

To cap off the day, President Johnson will deliver his State of the Union message at a joint session of the legislators at 9 p. m. EST. In it he is expected to outline his domestic legislative program. Radio and television networks plan live coverage.

Johnson, landslide victor over Republican Barry Goldwater in last November's election, will have a better than 2-1 Democratic majority in both the Senate and the House.

Republicans Lose 38

This is the most lopsided lineup since Franklin D. Roosevelt's second-term Democratic sweep in 1936.

With Republicans searching for a comeback trail, GOP House members meet in advance of the session-opening to vote on whether to replace Rep. Charles A. Halleck of Indiana as their leader with Rep. Gerald R. Ford of Michigan.

Also to be selected by House Republicans, their ranks thinned by the loss of 38 seats in the election, is the chairman of their party conference — a post now held by Ford. The announced candidates are Reps. Melvin R. Laird of Wisconsin and Paul A. Fino of New York.

Senate Democrats pick a new party whip, or assistant majority leader, to succeed Vice President-elect Hubert H. Humphrey.

Vying for the post are Sens. Russell B. Long of Louisiana, John O. Pastore of Rhode Island and A.S. Mike Monroney of Oklahoma.

Rules Change Opposed

In both branches of Congress, after the traditional swearing-in ceremonies, proposals for a major changes in rules could touch off an explosion.

The key issue in the House was whether to curb the power of the Rules Committee to keep legislation from going to the floor for a vote. In the Senate it was whether to make it easier to choke off filibusters.

Also confronting the House was a challenge to the seating of the Mississippi delegation, four Democrats and one Republican. The Mississippi Freedom Democratic party contends their election was invalid, claiming Negroes were systematically excluded from voting.

Once these organization problems are disposed of and the Congress settles down to business, it will have a mass of legislation to grapple with.

Salesmen Are Up

High on the agenda are increased Social Security benefits and hospital insurance for the aged, excise tax cuts, an expanded antipoverty program, federal aid for education, and an economic development program for the 11-state Appalachia area.

In dealing with these and other measures ranging from immigration to presidential succession, the Democrats will have the advantage of a 68-32 margin in the Senate and a 295-140 margin in the House.

There are 91 newcomers in the House and eight in the Senate. Among the freshmen senators will be former Atty. Gen. Robert F. Kennedy, brother of the late President John F. Kennedy.

Notably missing from the Senate is Goldwater, who gave up his seat to run for president. His successor from Arizona is his long-time friend, former Gov. Paul J. Fannin.

The members of the new Congress will be the highest paid in history. Under legislation passed last year, their salaries will be \$30,000 a year, a \$7,500 raise.

Health Care Bill Ready

Prior to the opening of the new Congress there were these developments:
Draft — Rep. L. Mendel Rivers

Over 1,000 Homes Gone In California Flood Area

SAN FRANCISCO (AP) — Northern California's emergency food airlifts and temporary housing will stretch on for weeks in the aftermath of the Christmas week flood, the Air Force and Red Cross predicted today.

Gloomy prospects for northern California contrasted with a brighter forecast in the West's four other flood-distressed states — Oregon, Washington, Idaho and Nevada.

Oregon Red Cross officials reported that most of their state's 8,000 temporarily homeless families were moving back to their homes.

Washington, Idaho and Nevada weathermen reported their states have returned to a normal wintertime basis. Washington State received a heavy snow blanket Sunday.

Homes Unliveable

A driving blizzard stranded an estimated 1,000 skiers and motorists at Sierra Nevada resorts Sunday and motorists continued to have uncertain luck on inland northern California snow-choked highways.

In the flood zone, many homes surviving the rampaging waters are unliveable, the Red Cross said, because of silt, vermin and

dampness. About 7,000 families are affected.

The Red Cross said it will be a month before these families can move back into their homes. More than 1,000 families have no homes to go back to.

The Air Force Reserve reported its Flying Boxcars and Globemasters have airlifted one million pounds of supplies since Dec. 23 into northern California's Humboldt County, described by the federal Office of Emergency Planning as the West's hardest-hit flood area.

Five Feet Of Silt

Food and supply airlifts may continue three more weeks, the Air Force said, since smashed roads and bridges are stalling ground traffic.

About 30 Army, Marine and

Air Force helicopters are also dropping relief supplies.

The Red Cross said the receding flood waters had deposited a six-inch mantle of mushy silt on many Eel River Valley homes. Orick, Calif., 50 miles north of Eureka on the Pacific Coast, reported most of its homes were buried in five feet of silt.

Accidents Kill 20 In Michigan

By The Associated Press

Twenty persons died on Michigan highways during the 78-hour 1965 New Year's holiday, including three-teen-agers killed in a one-car crash near Allegan.

The Associated Press tabulation of holiday fatalities began at 6 p. m. Thursday and ended at midnight Sunday.

The deaths placed the state in seventh place in the nation, in comparison with third place during the Christmas holiday when 35 persons died on the state's highways.

Sixteen persons died during the 30-hour 1964 holiday.

This year's death toll compares with 11 dead in the last comparable 78-hour period in 1962. Sixteen died in a similar period in 1961 and 36 in 1960.

Burch Calling For GOP Unity

WASHINGTON (AP) — Dean Burch, the embattled chairman of the Republican National Committee, said today the new year should be one of GOP unity and responsible opposition — and not "the year of the scapegoat."

"If 1965 becomes a year spent in division and recrimination," Burch told a Republican women's group, "then we will also fail our larger duty to the nation as the party of responsible opposition."

The theme of the young chairman's prepared address to the District of Columbia League of Republican Women was that Republicans must put aside their differences, re-examine the principles they hold in common and present a united challenge to the Johnson administration where its programs run counter to GOP philosophy.

Burch, a political ally of Barry Goldwater before the Arizona senator selected him to head the National Committee, is the target of some Republicans who want to put the party machinery in less conservative hands.

Today's Chuckle

The tongue is the deadliest of all blunt instruments.

Humboldt Bar Robber Caught

IRON MOUNTAIN (AP) — Howard George Englund, 23, of Negaunee is a police prisoner at Iron Mountain Hospital today, recovering from bullet wounds suffered during a high speed auto chase following a bar robbery Saturday.

State police said Englund is being held for investigation of armed robbery of the Double V bar at Humboldt. He suffered gunshot wounds in the back and side.

The bar reported a \$75 holdup by a lone gunman Saturday night. He fled in a car. Humboldt is about 30 miles west of Marquette and about halfway to Iron Mountain at opposite sides of the Upper Peninsula.

Troopers Duane Wollak and Gerald Milne of the Iron Mountain Post spotted a car answering the description on snow-bound M 95 and stopped it. But the driver fled moments later, the officers said, leading them on a chase at speeds up to 110 mph. Wallak said he fired twice at the fleeing car, striking the driver and forcing it to stop near Witch Lake.

The officers said they recovered the money and a .22 caliber revolver from Englund's auto.

Bombers Boom Over Chicago

CHICAGO (AP) — Strategic Air Command bombers will streak high over Chicago today, beginning a three-month training mission expected to strain windows and perhaps nerves to the breaking point.

Residents have been warned to expect repeated sonic booms caused by B58 Hustler bombers flying at supersonic speeds. The planes are attached to the 305th Bomb Wing at Bunker Hill Air Force Base in Indiana.

Mexican Church Crash Kills 55

PUEBLA, Mexico (AP) — Fifty-five Mexicans were killed and 63 injured when the roof of a new Roman Catholic church collapsed Sunday at Rijo, 80 miles southwest of Puebla.

The concrete roof crashed during a Mass to dedicate the building. About 300 persons were inside.

Officials said a preliminary investigation indicated defective construction had caused the tragedy. The building was of brick and concrete.

Among those killed was the priest officiating at the Mass, Father Ezequiel Alvarez Ortega, whose brother designed and built the church. Police said the brother would be questioned.

"It happened so fast nobody had a chance to run," said Alfonso Escamilla, 15, one of the injured survivors.

"I heard a roaring noise and looked up and saw the center part of the roof coming down. I was pretty near a door, but I didn't have time to get out."

Officials said most of those who escaped injury were seated at the back of the church where the roof had not been completed.

Rijo is a town of 5,000. Many of its people work in a nearby sugar mill. Five tractors from the mill plowed away the debris as rescuers dug out the injured and the bodies.

Delaware Has No Traffic Deaths Over New Year's

WILMINGTON, Del. (AP) — Delaware, which had an all-time high of 117 traffic deaths for the state in 1964, went through the New Year's holiday period without a highway fatality reported.

State police continued stepped-up traffic enforcement during the 78-hour period which began last Thursday at 6 p. m. and ended at midnight Sunday. State police administrative and headquarters personnel made regular traffic patrols.

Mrs. O'Leary Dies In Chicago

Mrs. Maurice O'Leary of Oak Park, Ill., the former Orme Firkus, member of a prominently known Escanaba family, died New Year's Day in Resurrection Hospital, Chicago.

Mrs. O'Leary was born in Escanaba, a daughter of the late Dr. and Mrs. William Firkus. She was a graduate of Escanaba High School and of Milwaukee State Teachers College. She taught school in Kingsford before her marriage to Mr. O'Leary, which took place in Escanaba.

Surviving are her husband, one son, James of Mount Prospect, Ill.; one daughter, Mrs. Fred (Maureen) Hall of Arlington Heights, Ill.; four grandchildren; and two sisters, Mrs. Charles Goetz of Warren, Mich., the former Lee Firkus, and Miss Berenice Firkus of this city, a retired member of the Escanaba Area Public School teaching staff.

Funeral services were held this morning at St. Giles Church in Oak Park and burial was there.

State Studies Proposal To Ban Dogs In Parks

A renewed proposal to ban dogs from state parks in Michigan during the summer season headlines several suggested regulation changes covering these public recreation areas which will be open to a public airing in Lansing, Jan. 22.

This month's hearing is scheduled to begin at 2 p.m. in Room 133 of the Stevens T. Mason building.

Coming up for discussion is a recommendation, tentatively approved by the Conservation Commission last February, which calls for placing state parks and recreation areas off limits to dogs from May 1 through Sept. 30 to halt nuisance, health, and safety problems caused by these animals.

As proposed by Conservation Department officials in early 1964, the restriction would not include seeing-eye dogs, pets owned by employees who live within state parks and recreation areas, or dogs taking part in hunting, field trials, and training in areas open to such uses.

Parish Honors Pastor Avery

ROCK — At a musical program of the year presented at Faith Lutheran Church in Rock by Faith Choir, members of the church surprised Pastor William S. Avery, by honoring him on his 30 years of service in the ministry. Pastor W. Savvela of Negaunee gave a short talk.

Pastor Avery graduated from Wittenburg University in 1931 and from Hamma Divinity School in 1934. Following his ordination Dec. 30, 1934, at Central Bridge, N.Y., Pastor Avery accepted the call from Christ Church, Wantagh, Long Island.

In 1938 he became pastor of Augsburg Lutheran Church in Detroit. While in Detroit, this mission congregation, worshipping in a portable chapel, built a new church and became self supporting. In 1943 he became one of the board secretaries of the Parish and Church School Board in Philadelphia, a position that took him into every state in the U.S. and the provinces of Canada.

He is the author of two books, "Let's Go Calling," a book on stewardship, and "The Bridges Prayer Book," two devotional booklets and numerous quarterly lessons, as well as frequent contributions to church publications.

In 1950 he became a Board Missionary in Florida. A new congregation in Miami Shores was started. It now has a baptized membership of over 600 and two pastors.

He went to Trinity Lutheran Church, Boulder, Colo., in 1952. While there, he worked on the campus of the Colorado University among college students and was instrumental in getting the Lutheran students their first student center.

Concerned with the need for higher standards of education for youth he saw an opportunity to serve when he began teaching at Suomi College and Theological Seminary in Hancock. From teaching he became associated with administration and was assistant to the president for 10 years.

Answering the call of the Mission Board he became the first resident pastor of the newly aligned parish of the combined Rock Faith and Perkins Bethany Lutheran churches. This position he has now held for two years.

Garden Resident, Arthur Nelson Taken By Death

Arthur Nelson, 78, of Garden died Sunday morning at the Edmond Mercier home where he had made his home for the past eight years.

Mr. Nelson was born Jan. 25, 1886 in Ellison Bay, Wis., and lived there most of his life. He came to Garden 13 years ago.

He was employed as a farmer prior to his retirement. Mr. Nelson is survived by one brother, Lexis of Garden, one sister, Mrs. Emily Carlson of Sister Bay, Wis., and several nieces and nephews.

Friends may call at the Messier-Broulliere Funeral Home in Garden beginning at 6 p.m. today. Funeral services will be conducted from the funeral home at 2 p.m. Tuesday with the Rev. Neil McShane officiating. Burial will be in the new Garden Cemetery.

Hospital

Lorraine Couillard of Wells is a medical patient at St. Francis Hospital.

Escanaba Area Public Schools Lunch Program

The following meals will be served in the Escanaba Area Public Schools next week.

Monday, Jan. 4: Barbecued beef on a bun, buttered vegetables, chilled fruit.

Tuesday, Jan. 5: Chopped suet with pork, buttered rice, green beans, tea buns, cherry crisp.

Wednesday, Jan. 6: Italian spaghetti with beef, buttered peas, tea buns, chilled fruit.

Thursday, Jan. 7: Roast beef with gravy, mashed potatoes, buttered sliced carrots, tea buns, fruit jello.

Friday, Jan. 8: Oven fried fish sticks with mashed potatoes, buttered wax beans, tea buns, pineapple upside down cake.

(½ Pint of Milk Included With Each Meal)

Guard Resumes Drill Classes

After two weeks holiday vacation without training all members of Company E, Michigan National Guard will resume training with a heavy schedule starting Tuesday. Drill classes will be held on first aid for recruits and maintenance training for the regulars.

Lt. Larry V. Suboski, unit recruiting officer, announced that with over one month of the winter recruiting program gone, four new men have been enlisted. They are Kenneth Iverson, Herbert Iverson, Marshall Sodergren and Fred Deno, all of Rte. 1, Escanaba. This brings the unit strength to 74 enlisted men, with openings for 14 additional men. A new strength quota of 88 men has been assigned to the bridge company from the Ishpeming headquarters.

Capt. George C. Anderson, guard commander, said an expected change in recruiting may soon not give present high school seniors a chance to enlist in the National Guard. He urges seniors of all high schools to take advantage of the present opportunities and enlist now, while choices are still available. Also scheduled for delivery to the bridge company in January are a 10 ton truck, a 20 ton equipment trailer, and a 30 ton mobile crane. Job vacancies will exist as soon as this heavy equipment arrives. Sgt. Lloyd Lessard is the unit maintenance supervisor in charge of all the unit's mobile equipment.

More Liberal Beaver, Otter Season Planned

Beaver and otter trapping regulations for 1965 and land matters pegged to public recreation and hunting await action when the Conservation Commission meets Jan. 7-8 in the Jack Tar Hotel, Lansing.

In general, Conservation Department game men are recommending a slightly more liberal beaver and otter season in the Upper Peninsula, and a somewhat more conservative harvest in the northern Lower Peninsula compared with 1963. Little change is slated for the southern third of the state.

As proposed, more areas would be open to trapping above the Straits, notably in Menominee, Marquette, and Mackinac counties.

Flooring Makers To Meet Feb. 3

The Maple Flooring Manufacturers Association with national headquarters in Chicago, will hold its 68th annual meeting, Feb. 3-4, 1965, at the Sheraton-Chicago Hotel.

Samuel A. Wells, Menominee, president of MFMA, in making the announcement, said that in addition to establishing operating budgets, much of the two-day meeting will be devoted to the consideration of proposed changes in the association's services.

Concerning the outlook for the Northern hardwood flooring industry, Wells said that since the business analysts seem to agree that 1965 will be a good year for school, industrial, textile, bakery and institutional construction, sales of maple flooring should increase accordingly.

Promoted

Pickands Mather & Co., Duluth, today announced appointment of Bernard F. Borgel, Duluth, general manager of its Lake Superior Mining Division, to the newly created position of manager-operations for the company. In his new position Borgel will assume additional duties for all operations of the company while retaining his present responsibilities for the Lake Superior Mining Division.

New York Show Features Art By Don Baum

An Escanaba native, now associate professor of art at Roosevelt University, Chicago, has his work in college represented in a one-man show at the Bridge Gallery, 61 W. 56 St., New York City, opening Tuesday.

He is Don Baum, son of Mrs. Abe Baum, 408 S. 11th St., and the late Mr. Baum, Escanaba businessman.

Don Baum graduated from Escanaba High School and received degrees from Michigan State University, Chicago Art Institute, Chicago School of Design, and his master's in art from the University of Chicago.

A teacher at Roosevelt University for the past 15 years, Baum is this semester the recipient of a study grant. He is now in New York for the opening of his show, which consists of a group of works in collage — one of the forms of abstract art.

He is married, has a son, Charles 9 and a daughter, Maria 3, and resides in Chicago at 4858 S. Kenwood.

Peace Corps Exam

At 8:30 a. m. on Saturday, Jan. 9 the Peace Corps Placement Test will be given at the Escanaba Post Office Building. Approximately 800 other Civil Service testing centers throughout the United States will be administering the test on this same day. It makes no difference where the Peace Corps applicants take their test and there is no need to register ahead of time. Applicants should bring along a completed questionnaire unless one has already been sent in to Washington. The questionnaire forms are available at most post offices, or college placement offices, or they can be obtained by writing the Peace Corps, Washington, D. C., 20525.

LOUISVILLE, Ky. (AP)—One candidate for office at a recent high school convention minced no words in reporting a lack of words: "I had a great speech planned. But the room got cleaned up and the maid took it."

Now Many Wear FALSE TEETH With More Comfort

FASTTEETH, a pleasant alkaline (non-acid) powder, holds false teeth more firmly to eat and talk in more comfort, just sprinkle a little FASTTEETH on your plates. No gummy, goopy, pasty taste or feeling. Checks "plate color" (denture breath). Get FASTTEETH at any drug counter.

NEWLY-NAMED president of Wayne State University is Dr. William Rea Keast, academic vice president at Cornell University. Dr. Keast, appointed by the WSU Board of Governors, succeeds Dr. Clarence B. Hilberry who is retiring after 12 years as president and 35 years of service to the university. Dr. Keast, 50, will assume the presidency before July, 1965. Dr. Keast was formerly an instructor of English and assistant professor at the University of Chicago, where he received his B.A. and Ph.D. degrees. During World War II, he rose from private to major with the U.S. Army Ground Forces. Married, he is the father of three grown children.

A woman could feel him across a room.

FOR YOUR Protection

BILL PERRON
ANSWERS YOUR INSURANCE QUESTIONS

QUESTION: Some friends of ours in another city had most of their windows broken by an explosion in an industrial plant some distance away. What insurance would cover that damage?

ANSWER: The addition of an ordinary Extended Coverage endorsement to a fire insurance policy would give that protection.

This public service is our way of advertising. Your insurance questions will be answered without charge or obligation if you'll send or bring them to:

GLADSTONE'S FIRST baby of 1965 arrived Jan. 3, a daughter, Connie Rae, weighing 6 pounds and 3 ounces, born to Mr. and Mrs. Anthony H. Gladstone, 1, at 6:05 a.m. at St. Francis Hospital. Connie Rae is pictured here with her mother, the former Rose Mary Wyatt. The Gladstones have another girl and one boy. (Daily Press Photos)

FIRST ARRIVAL of the New Year at St. Francis Hospital is Dale Robert, born to Mr. and Mrs. Gerald C. Dubord, 14 Harland, Wells, Jan. 2 at 8:24 p.m. at St. Francis Hospital, pictured here with his mother, Dale Robert, who has four brothers, weighed 6 pounds and 4 ounces at birth. Mrs. Dubord is the former Audrey Balthazore.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were

so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute.

This substance is now available in suppository or ointment form under the name Preparation H®. At all drug counters.

INVITATION FOR BIDS

Sealed bids will be received by Mrs. Margaret Cain, Secretary, Board of Education, Hiawatha School District, Manistique, Michigan, on or before January 13, 1965 at 7:00 P.M. E.S.T., and will be publicly opened and read, the same date and time, in the existing elementary school at Manistique, Michigan, for furnishing and installing all materials, labor, plant and equipment required to construct an addition to the Hiawatha School District School at Manistique, Michigan, strictly in accordance with revised plans and specifications prepared for same by G. Arntzen & Co., Architects, 820 South 16th Street, Escanaba, Michigan.

Proposals shall be addressed to Mrs. Margaret Cain, Secretary, Board of Education, Hiawatha School District, Manistique, Michigan and shall be labeled "Proposal to Construct a School Addition." The name of the Bidder shall be on the envelope.

The bids must be accompanied by a certified check or Bidder's bond in the amount of five percent (5%) of the amount of the base bid, which shall be payable to the Owner as a guarantee of good faith. Bids may not be withdrawn within thirty (30) days after opening date without forfeiting bid security.

Plans and specifications may be obtained at the office of the Architect upon a deposit of \$25.00 on each set of documents, which deposit shall be returned upon receipt of said plans and specifications in good condition at the office of the Architect at the time designated by him. Said deposit will be forfeited should the Contractor fail or refuse to return the plans and specifications when called for.

The Owner reserves the right to accept or reject any or all bids.

Board of Education
Hiawatha School District
Margaret Cain, Secretary

New Building Down Slightly

While the number of permits for new construction in Escanaba climbed in 1964, the dollar volume of new building valuation for the year was down slightly compared to 1963, according to records in the office of City Assessor Charles Schmidt.

The year was not a "bad" one but it did not measure up to the average for recent years. The prospect is for a building upturn in 1965.

The city assessor's office reports that a total of 100 building permits were issued by the City of Escanaba in 1964. The total valuation of new construction and repairs and alterations was \$800,650.

Included in the new building permits were 33 dwellings, valued at \$485,600; 42 non-residential structures valued at \$171,300; and 25 repairs and alterations valued at \$143,750.

This compares to 92 permits and a total value of \$967,000 in 1963, including: 37 dwellings, 33 non-residential, and 22 repairs and alterations.

Back in 1954 there were 87 permits including 22 homes for a total value of \$856,800.

Major building projects in Escanaba in addition to the permits for homes last year were an office and show room at the Birds Eye Veneer Co. plant; a gas station for Theisen-Clemens Oil Co.; a boiler room for St. Joseph's Church; a new car wash for Arshel Ruperd; an addition to Mel & Elmer's super market; Clairmont Transfer Co. addition; a show room and warehouse for Town & Country Motors.

Bero Motors received a permit in December for the construction of a store room, and there are other projects scheduled for this year.

Among these is the beginning of an apartment house development by James Pascoe at the site of the old St. Anne's Church. An area of three-quarters of a block will be cleared for the start of the first building next fall.

Tiberius, Roman emperor, always clapped a laurel wreath on his head at the beginning of a thunderstorm.

Rioters Demand Overthrow Of Saigon Premier

SAIGON, South Viet Nam (AP) — A mob of 1,000 rioted through Saigon's main streets for more than three hours today, calling for the overthrow of Premier Tran Van Huong.

Viet Cong guerrillas ambushed another Vietnamese Ranger battalion near the town of Binh Gia and killed a U.S. adviser, the first American to die in 1965. Nine Rangers were killed and 30 or 40 were missing.

So far six Americans have been killed in the fighting around Binh Gia, which started last Tuesday. Two others are missing and presumed captured. Government casualties are estimated at about 500.

Since December 1961, 247 Americans have died in combat in Viet Nam.

Squads of armed marines made no attempt to stop the demonstrators in Saigon, but the rioters manhandled photographers and any police who got in the way. Fights broke out repeatedly as the crowd charged about the city.

At one point, the mob unfurled a banner denouncing "involvement of the American government and Ambassador (Maxwell D.) Taylor in Vietnamese affairs."

At least a score of persons was believed to have been injured. Among those hurt was Associated Press photographer Huynh Cong La.

Surviving are her husband, Andrew A. Nelson, Escanaba; three daughters, Mrs. Donald (Eunice) Turnbull, Garden City, Mich.; Mrs. Tessling, the former Anita Nelson, and Mrs. William (Adrian) Khospe, Silver Springs, Md.; one son, Capt. Merle Nelson, with the U. S. Air Force, Washington, D. C.; two sisters, Mrs. Agnes Pillote, Chevy Chase, Md., and Mrs. Alice Brodersen, Park River; five brothers, Roy Einar and Arthur Sivertsen, Escanaba, Sigurd, Grand Rapids, and George, Cleveland; and 12 grandchildren.

Friends may call at the Anderson Funeral Home after 4 p.m. today. The V. F. W. Auxiliary will conduct a memorial service there at 7:30 p.m. and the Eastern Star service will be held at 8 p.m.

The body will be removed at noon Tuesday to Immanuel Lutheran Church where complete services will be held at 1:30 p.m. Pastor Gordon Thorpe will officiate. Burial will be in Lakeview Cemetery.

Funeral services will be held at 1:30 p.m. Pastor Gordon Thorpe will officiate. Burial will be in Lakeview Cemetery.

Patrols Pick Up Cuban Refugees, 1,000 In Year

WASHINGTON (AP) — The Coast Guard says U.S. ships are picking up refugees from the waters around Cuba at the rate of 1,000 a year.

In a report Sunday night on the service's 1964 activities, the Coast Guard said more than 6,000 Cubans have been brought to the mainland by its vessels since the Florida Keys patrol went into operation in 1959.

Mar Of The Year

Time magazine named President Johnson its Man of the Year.

History may make it out less than the best choice, but as of the present writing it seems an excellent one.

It is a year of triumph for Red China, its war through North Viet Nam against South Viet Nam and the United States and its allies is going well and it achieved a nuclear blast this year. Charles DeGaulle is having things pretty much his way in Western Europe. Harold Wilson led his Laborites back to power in Britain. Russia got a new command after pushing Nikita Khrushchev out the back door.

But no man was in a position to influence the world so much as Lyndon Baines Johnson, President of the United States, and he had made an auspicious start on an administration which could be one of the great ones of American history in his first year in office.

The President takes some understanding and Time has tried to capture his essence in a brief space. It makes him out a man of enormous abilities, energies and ambitions. It suggests that he has done a great deal already and that he may influence history by giving the United States an outstanding administration.

The President speaks almost lyrically of the west central Texas area in which he was born in 1908 although others have described it as a land of "nauseating loneliness." At 23 he was secretary of Congressman Richard Kleberg, co-owner of the King Ranch, at 26 he was Texas director of President Roosevelt's National Youth Administration. He was a congressman from 1937 to 1948 and reached the Senate in 1948. He was Democratic whip for two years and minority leader for four and when the Democrats came to power in Congress in 1954 he became at 46 the youngest majority leader of the Senate in history. "He was absolute monarch of the place," says Time, "the most influential Democrat in the nation, second in power only to President Eisenhower."

There was inevitable talk that he would be President but as President Kennedy said, as a Southerner "he hasn't got a chance." There hadn't been a real Southerner in the White House since 1848. Lyndon Johnson got to the White House by the tragic chance of Jack Kennedy's assassination but last Nov. 3 he was elected President in his own right in the biggest election triumph in history.

He has astonished his supporters and confounded the skeptics in his first year, says Time by surpassing almost all of his predecessors in first year accomplishments. Those include:

A new relationship with other branches of government, achieving the true partnership with Congress in over a century.

A new business attitude of confidence in the President without losing labor's confidence.

A new try for peace in Viet Nam (unsuccessful.)

A new effort at attainment of a national consensus (public agreement on policy) which may be one of the most significant achievements of his administration and the foundation upon which he hopes to build his greatness as President.

The persons waiting for him to slip cite his impetuosity but add that he hasn't exercised it yet in weighty matters. "Johnson means to be prudent and cautious," says Time "but he also wants to be an activist. He rejects as unsuited to the times the notion of the President as an errand boy for Congress, or as a chief administrator.

"Johnson came to the White House with the most extensive congressional experience of any U.S. President and to him the theory that the branches of the Government should be coordinate, not one subordinate to another, in a living reality . . . He aims to use his considerable talents of persuasion to get his way."

The President has been accused often of being a wheeler-dealer for working compromises, but he always had to deal with political realities, not with professional theories. He was no compromiser when he tackled civil rights. He's a realist about the War on Poverty. "I don't expect to see it (ended) in my lifetime," he said "but we can minimize it, moderate it, and in time eliminate it."

On the red ink side, Times says his decision to go ahead with the Congo air drop rescue had its virtue diluted by tardiness and premature ending, that he allowed U.S. officials to push for a multilateral force for NATO when only Bonn was interested and that in Viet Nam he's unwilling to withdraw U.S. aid and fearful of extending the war into North Viet Nam for a solution, so it stumbles from reverse to setback as even the reason which we offer for being involved there disappears.

The main thrust of his efforts are for progress at home "I must prove I can lead the country before I can lead the world," he says. He's giving a top priority to education in his program to achieve that goal.

Letters To The Press

Contributions are welcome. They cannot be over 300 words and must be signed with name, address and phone number of writer and names will be used. The right to condense letters is reserved.

RESOLUTION?

I do hope that the Taxpayers Association has made a New Year's resolution to give the public schools back to the school board, the school administration and the teachers for operation. Now that they have had equal time on the radio and in the paper, I hope that they will gracefully accept defeat.

I fail to see what is so terrible about a law in the new constitution that is favorable "to the schools and a hardship to the people." I was under the impression that school personnel and the children in school were "people" also. If the vote had been the other way around there would be no criticism of the recent law referred to in the article in last Thursday's Press.

I am sure the people who voted for the millage will have just as difficult a time paying their increase in taxes as those who voted against it as I'm sure there were "yes" and "no" votes in all income brackets.

Technically, the millage passed by only three votes but actually the schools received a vote of confidence from several hundred voters if this vote is compared to the defeat in September. Let's hope that this vote of confidence in the public schools will continue in 1965 and for many years to come!

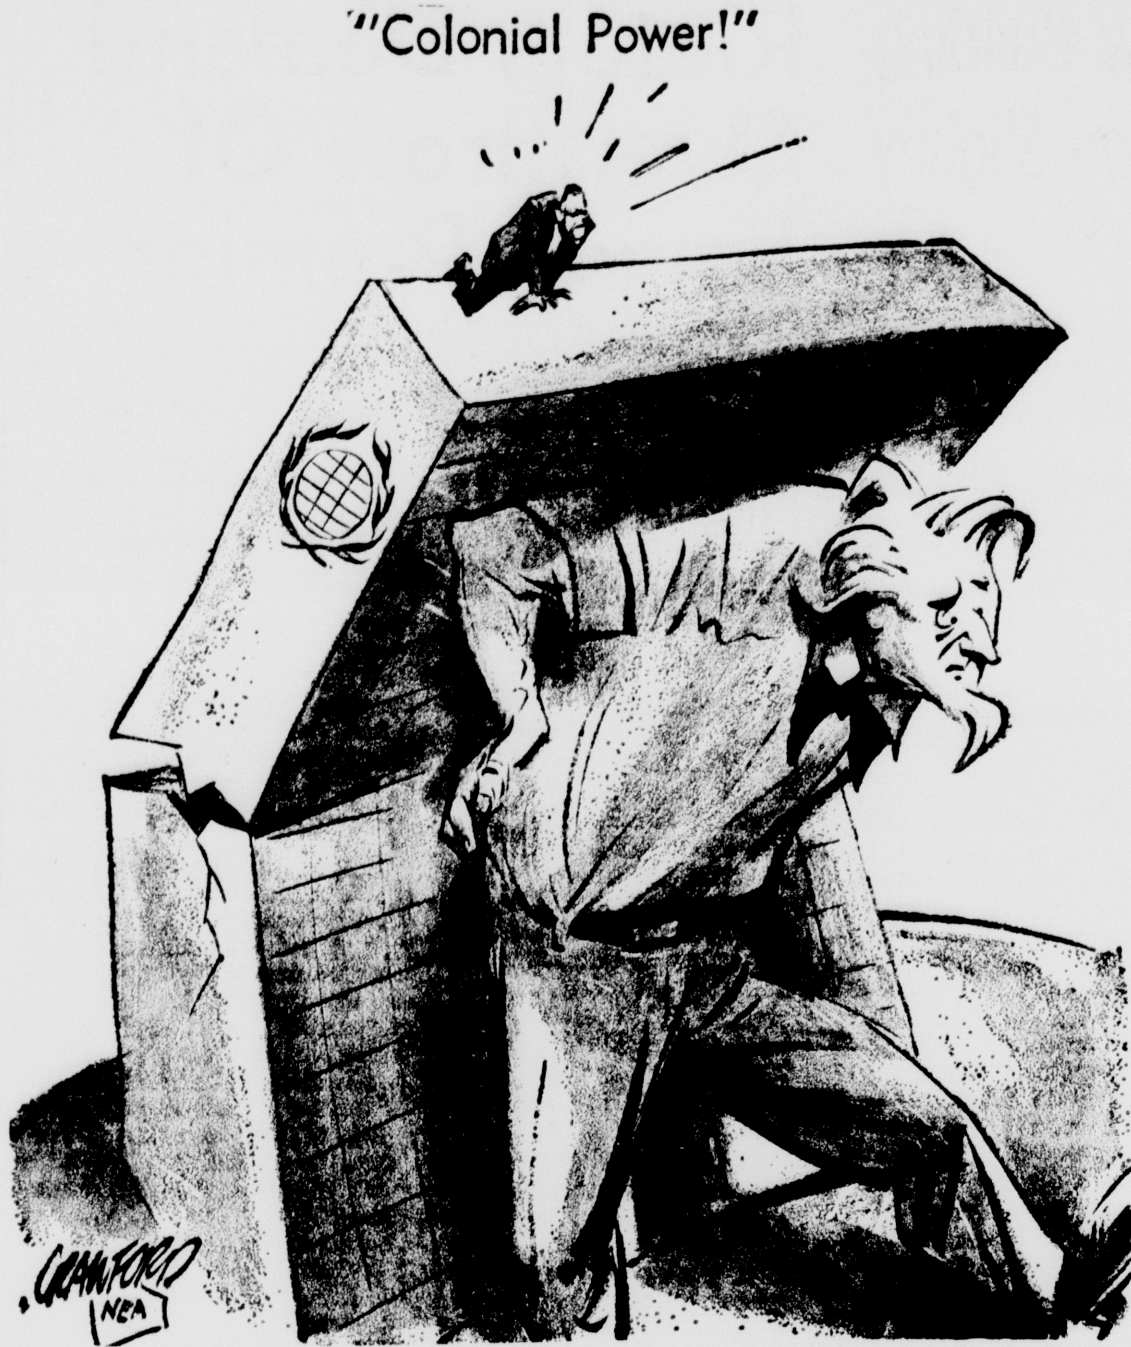

Mrs. Scott Eagleson
1012 S. 11th St.

Flood Damage Boosts Prices On Wood Products

NEW YORK (AP) — Heavy West Coast flood damage has touched off price boosts for some forest products, industry sources report.

Last week's floods damaged lumber mills and left many forest areas isolated in northern California and Oregon. The states are major producers of construction plywood, and lumber.

In many cases, companies said, wood can't be brought to just as difficult a time paying their increase in taxes as those who voted against it as I'm sure there were "yes" and "no" votes in all income brackets.

How To Ditch Kooks Memory Lane

By BRUCE BLOSSAT
WASHINGTON — (NEA) — In all the clamor surrounding the fight over Republican National Chairman Dean Burch, some influential party men are thinking beyond to other problems—such as what to do about the "kooks."

This has never been exclusively a concern of party moderates. Many conservative leaders grumbled privately throughout 1964 at the antics and attitudes of right-wing fringe groups and individuals attaching themselves to Sen. Barry Goldwater's cause.

One of these leaders—a man closely involved in the Goldwater campaign—believes the party must soon act openly to disavow the fringers. He considers it a vital step in the rehabilitation of the Republican image for the campaigns of 1966 and 1968. Says he:

"I don't think it should be done head-on. What we should do is seize upon an issue that will permit us to draw a sharp line."

Party progressives, of course, favor meeting the "kook" problem with a head-on disavowal. The more cautious approach suggested by the conservative, who cannot be identified here, illustrates a peculiar aspect of the GOP's ideological difficulties.

The problem in part is that the term "conservative" has become badly muddled in the last few years. Respectable, long-established Republicans think the label is theirs. They are more than a little annoyed to find the fringers trying to take it for their own.

How, then, do you separate "respectable" Republicans from those who are not? How do you attack the goofy ones without seeming to strike at the regulars?

When Goldwater and Burch, defending the latter's tenure as chairman, say they do not want to see conservatives humiliated it is not clear which ones they are talking about. Many conservative leaders want Burch removed.

At the root of this dilemma is a hard, unpleasant fact:

Despite their frequent private grumblings, Goldwater forces and other conservative party regulars allowed the line between themselves and the "kooks" to be badly blurred from 1963 on.

For one thing, the fringers represented an undetermined but conceivably promising number of Goldwater votes. There was no disposition to cast these aside with blunt disavowals such as were suggested by the moderates at San Francisco in July.

There is something else. For all their wild gyrations, the fringe groups were performing one service whose value might prove considerable. They were striking hard and often, in uninhibited language, at the very targets—President Johnson and his Democratic party—which the regular conservatives wanted to have battered.

From the viewpoint of men striving to elect a candidate to the presidency, the prospect of such added help is virtually irresistible. In the Franklin D. Roosevelt era, Democratic leaders had the same difficulty disavowing free-swinging leftists who were aiming at the Republicans.

When, as now, talk stirs about shaking off these embarrassing encumbrances, the problem is two-fold: getting rid of the "kooks" themselves, and stripping the party's argument of the nonsense that has crept in during the time the irregulars were permitted within party borders.

For example, professional politicians simply laugh at the notion, supposedly first generated by the fringers, that Goldwater's 27 million votes were somehow a great triumph. But established conservative George Humphrey tried to sell that idea to his friend, Gen. Dwight Eisenhower. (It was no sale.)

Sharpening a blurred line is one of the tougher political chores.

George Ruwitch was installed as president of the Escanaba Kiwanis Club at its regular meeting last evening. He succeeds A. V. Aronson. The Rev. John Alford, of Marquette, lieutenant governor of the division, had charge of the ceremony.

Delta County had 19 traffic deaths in 1955, a recent survey reveals.

Miss Winnifred Harvey, who has served as assistant librarian for many years, announces her retirement.

Announcement is made today that Gustav A. Lund, of Dalbo, Minn., recently elected pastor of Bethany Lutheran church, will be installed Jan. 11.

Mrs. Jennie Putnam of Manistique, well known for her deep interest in birds, has will ed 24 acres of land along the Indian River to the Audubon Society, with the stipulation that it be used as a bird sanctuary.

Infection resulting from burns proved fatal to Clifford John, year old son of Mr. and Mrs. Leni Kolli, of Stonington. The child was scalded when he tipped a newly poured cup of coffee onto himself.

The L. Stephenson sawmill at Wells, went on night shift last night and will continue to operate at full capacity for the next two months.

Initial steps will be taken to lay 10,000 feet of badly needed sidewalks at Manistique. The walks will be of cinder base type and the work will be done as a FERA project.

Richard Balenger, 37, an Escanaba high school graduate and recently a resident of this city, was killed yesterday in a motor crash near his present home in Grand Rapids.

The Doctor Says:

Retarded: Catch - All Word

By Dr. Wayne G. Brandstadt
The real tragedy of mental retardation is that many persons apparently have taken an attitude of hopelessness and written off retarded children as a total loss. It is estimated that there are over 100,000 new cases added annually.

Thanks to the National Association for Retarded Children—and a few doctors who might be classified as diehards—there is a brighter future for many of these unfortunate.

The first roadblock that had to be cleared was to discover and classify the causes of mental retardation and separate them into those that could be improved and those that are truly hopeless.

This was a job that required both dedication and patience. In the last 10 years the effort has begun to pay off.

Every normal parent wants for his child the highest achievement of which the child is capable. If the parents of even a severely retarded child can be assured that the child with proper treatment can be toilet-trained and learn to dress and feed himself, they will have much to be thankful for.

Brain damage can occur during pregnancy, during delivery or at any time after birth. Toxoplasmosis, German measles, certain drugs taken during pregnancy, exposure to X-

rays, Rh incompatibility and some diseases of pregnancy are some of the hazards that may result in a mentally retarded child.

Birth injuries, especially those associated with prolonged labor or forceps delivery may cause retardation.

A woman exposed to German measles in the first three months of pregnancy should be given immune gamma globulin regardless of whether she has had German measles or not.

Any woman who is pregnant should avoid all drugs unless they are prescribed by her doctor WHO KNOWS THAT SHE IS PREGNANT.

She should avoid all exposure to X-rays except in a true emergency, and even then her abdomen should be shielded.

If Rh incompatibility between her and her husband exists, preparations should be made to give the baby blood transfusions at birth if required. Steps to prevent premature delivery should be taken.

These include cutting out cigarettes during pregnancy or at least cutting down to less than a half pack a day.

Other measures, when too early a delivery threatens, include bed rest, a diet high in calcium, proteins and vitamins, and in some cases treatment with hormones.

Hospitals Get Over 8 Million

LANSING (AP)—More than \$8 million in federal funds will be available for hospital and medical facility construction in Michigan next year, reports State Health Commissioner Dr. Albert Heustis.

Heustis said Michigan's share of the federal funds will be \$8.27 million, a slight decrease from last year's allotment of \$8.3 million.

The state plan for the use of federal funds is prepared annually by the Health Department's division of hospital and medical facilities following a survey of such facilities throughout the state.

Heustis said the plan will be reviewed by the Michigan Hospital Advisory Council Jan. 7 and that a public hearing will be held at the Health Department following the council meeting.

According to the plan, Michigan needs an additional 3,043 acute-care hospital beds plus the remodeling or replacement of nursing units or service facilities in acute-care hospitals having approximately 5,000 in-care patient accommodations.

To provide adequate long-care facilities, Michigan needs 1,930 additional beds plus the remodeling or replacement of facilities with room for approximately 9,900 long-term patients, the plan shows.

The federal funds do not include mental health facilities, which are provided for under a separate plan.

Belt In The Face Is Birthday Gift

Dear Ann Landers: Your advice may work for some people but it didn't work for me. You had a letter in your column from a woman who said she reminded her husband it was her birthday. He gave her 25c and told her to go buy a birthday card. She was buried up and asked what she should have done.

You said she should have gone out and bought herself a dime card and given the big sport 15c change. I showed that column to my husband because my birthday was coming up. I thought maybe he'd give me the money to buy the box of dishes I've been wanting.

Instead he said, "I will do better than that guy in Ann Landers' column. Here is 50c. Go out and buy yourself a real nice card."

I bought a dime card and gave him 40c back. He got real mad and now I have a cut over my eye and a loose tooth. Any more advice? — MRS. V. T. H.

Dear Mrs. V. T. H.: As soon as your eye gets better and you can read the phone directory, call Legal Aid and find out what can happen to a man who knocks his wife around. And then clue in your husband.

In the meantime, don't let him get his hands on this column or you might not be able to see at all.

Dear Ann Landers: My 73-year-old mother is a semi-invalid who lives with me. Previously she lived with another member of the family. As her illness became worse, mother became increasingly incapacitated and her presence was resented more and more. When it became apparent that she was being mistreated I took her into my home.

Other members of the family are in a position to give mother more than I can, in a material way, but they refuse to give her even five minutes of their time, let alone support.

I don't want their money, but it makes me said to see mother so lonely. What is wrong with sons and daughters who become so involved with their trips, parties and shopping that they can't spare

a few minutes to go see their mother?

These sons and daughters are the ones who wall the loudest at the funeral. And it will be a sense of guilt, rather than a feeling of loss, that will move them to tears.

Will you publish this letter, Ann? I'll bet it will hit thousands of thoughtless children right between the eyes. And please withhold the name of this city. Let them all guess.—CORNFLOWER BLUE

Dear Cornflower: Here it is—and it's not the first time such a letter appeared in my column. I hope those who are made uncomfortable by this letter will do something about it—while there is still time.

Dear Ann Landers: I just returned from a shopping trip and I am steaming. While browsing, my sleeve brushed against a small Swedish crystal vase. The vase fell off the shelf and broke. A saleswoman walked over and said, "That's too bad. It will cost you \$4.95."

I did not break the vase on purpose and told her so. She replied, "Do you see that sign, Madame?" — and pointed to a card which said, "If you break it — it's yours."

Shouldn't this sort of breakage be expected in all gift shops? I paid the \$4.95 but you can be sure I'll never go back.

My husband and two children insist I have no right to be irritated and the store policy is a good one. What do you think? — PAID FOR A DEAD HORSE

Dear Paid: If I broke a vase in a shop I'd offer to pay for it without being shown a sign. It WAS an act of carelessness (and not malice) but people should be willing to pay for their mistakes.

If excessive drinking is wrecking your health or destroying someone you love, send for ANN LANDERS' booklet, "Help For The Alcoholic," enclosing with your request 20c in coin and a long, self-addressed, stamped envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped, self-addressed envelope.

Trap Limit Of 6 Beaver Asked

Upper Peninsula trappers will be allowed to take six beaver and three otter during the 1965 season — the same as last year — if recommendations of the Conservation Department's Game Section are approved by the State Conservation Commission at its meeting in Lansing next week.

The recommendations call for a season extending from April 3 to April 11 in all of Menominee County and from April 3 to April 18 in the rest of the Upper Peninsula, but with some areas outside of Menominee County entirely closed to trapping. The bag limit of six beaver and three otter would apply in both Area A (Menominee County) and Area B (remainder of U. P.).

Closed areas would include Black Creek, Johnson Creek and Little Bohemian Creek east of M-67 and Sand River from its mouth upstream to the Marquette County line, all in Alger County; practically all of Baraga County north and east of US-41; Boise, Clark and Deer Creeks and tributaries, Bryan Creek, Sand River and tributaries and Townships 44 and 45, R25W and Townships 44 and 45, R26W, all in Marquette County; nearly all of Schoolcraft County; most of Mackinac County and the northwestern and southeastern tips of Schoolcraft County.

In the 1964 season, the beaver take was lower in all regions of the state as compared to the previous year. The drop in the Upper Peninsula was attributed largely to weather conditions, which made trapping difficult. The general feeling among conservation department field men in the Upper Peninsula is that there are a few more beaver this year than

last, when 2,081 trappers took 5,325 beaver.

The otter take in the Upper Peninsula last year was 327, about the same as in the previous year, and field men report there is no indication of a decline in the otter population.

Fur prices last year were slightly lower than in 1963. Blanket beaver brought \$18 to \$20 and large otter hides were worth up to \$27.

Reason for recommending the shorter season in Menominee County than in the rest of the U. P. this year is the earlier spring breakup in the southern county.

Other recommended regulations for the 1965 season:

1. No license to be sold in any area after 5 p.m. on the first day of the season in that area.
2. No license to be sold to persons under 12.
3. A 53-hour sealing period in each area following the closing of the season in that area.
4. Unlawful to take beaver and otter by any other method than trapping.

Brumbaugh, Wilson Named

William F. Wilson, executive manager of Operation Action-U.P., will be industrial promotion chairman on the Region 2 council for the 12th annual Michigan Week May 16-22. His appointment is announced by Regional Chairman Keith Forsberg, director of placement, Northern Michigan University, and Executive Secretary Donald Butcher of NMU.

Wilson will serve on the Region 2 Council for Marquette, Delta, Schoolcraft, Alger, Menominee and Dickinson counties.

Wilson graduated from the Jennings High School, St. Louis, and from Washington University in 1950 with a degree in civil engineering. He served with the Field Artillery in World War II, was employed as city manager of Vassar, Mich. for six years and as city manager of Buchanan, Mich. for three years.

Donald S. Brumbaugh, superintendent of Norway-Vulcan School, will be Education Day chairman on the Region 2 Council.

Brumbaugh received his B.S. degree from Murray State College, his M.S. degree from Indiana University and a 6-year degree in physical education from Indiana University. He is a retired Air Force captain and taught in Kentucky and Louisiana before coming to the Upper Peninsula to serve as principal and later superintendent of the DeTour Public Schools prior to his appointment as superintendent of the Norway Consolidated Schools.

Arizona has more Indians than any other state — 81,924 at the latest count.

DOES GETTING UP NIGHTS MAKE YOU FEEL OLD?

After 35, common kidney or bladder irritations often occur and may make you tense and nervous from too frequent passages both day and night. Secondarily, you may lose sleep and suffer from headaches, backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating germs in urine, acid urine and by analgesic pain relief. Get CYSTEX at drugists. Feel better fast.

Children of American businessmen, diplomats or foreign correspondents have become the irreverent new breed of the Orient. To them Asia will never be home. (AP Wirephoto)

High Schools' Grads Increase 93 Pct. In Decade

WASHINGTON — The educational tasks assumed by the nation's elementary and secondary schools have grown vastly both in size and scope in recent years. Data for the current school year, made public by the National Education Association, show surprising changes in the last 10 years.

NEA's Executive Secretary William G. Carr pointed out that this year's total enrollment of 42 million students in public elementary and secondary schools represents an increase since 1954-55 of 43 per cent.

"Even more noteworthy than that 43 per cent rise in enrollment," Dr. Carr added, "is the fact that the number of high school graduates has increased 93 per cent over the decade."

"This demonstrates, among other things, that the efforts of the schools to combat the dropout problem have been highly successful."

Among other highlights of this year's NEA report:

Salaries of classroom teachers rose by 4 per cent in one year to a new high of \$6,235. Current expenditures per pupil in average daily attendance reached \$483 annually, a one year rise of 5 per cent.

Next to national defense, Carr pointed out, education continues to be the nation's largest governmental enterprise.

K. I. Sawyer To Hold Three-Day Winter Carnival

K. I. SAWYER AFB — The Air Force will throw open the doors to this Strategic Air Command installation the last three days in January for the base's "Winter Wonderland."

The winter carnival, in its second year, will feature athletic competition, a beauty contest and snow statues. The base will be open from 9 a.m. until 5 p.m., Jan. 29-31.

This year's carnival is being sponsored by the 46th Air Refueling Squadron, commanded by Col. Wayne W. Howard. Capt. Harold Price is project officer for the event.

According to Captain Price, each of the nearly 20 squadrons on base will construct a snow statue. Theme of the statues will be "Martian Playground."

Captain Price said one of the highlights of the athletic competition will be a snowshoe baseball game between local area businessmen and members of the tactical squadrons at K. I. Sawyer.

ANCIENT PALACE FOUND

IRAKLION, Crete (AP)—Remains of a seven-room building unearthed near here are believed by Greek archaeologists to be part of the summer palace of the ancient kings of Knossos. Colorful wall paintings, reliefs of great artistic value and amphorae have been found in good condition.

MR. AND MRS. Willie Vishaw of Gladstone Rte. 1 announce the engagement of their daughter, Mary Eva, to Joseph Robitaille, son of Mr. and Mrs. Russell Robitaille of Escanaba. A June wedding is planned. (Preston's Studio)

Births

POUPORE — Mr. and Mrs. Clarence L. Poupore, Spalding, are the parents of a son, Kim Patrick, weighing 6 pounds and 7 ounces, born at St. Francis Hospital Jan. 3, at 12:18 a.m. The mother is the former Janet Wentland.

YOUNG — Airman Second Class and Mrs. Norman J. Young, 429 S. 16th St., are the parents of a son, their first child, born today, Jan. 4 at 3:37 a.m. at St. Francis Hospital. The infant, Brian Norman, weighed 5 pounds and 5 ounces. Mrs. Young is the former Sandra Therrien. The baby's father is serving in Korea at present.

Rapid River

Ensign Party
Gladstone's Y. F. C. group had a perfect winter evening for a hayride at the old Lindquist farm in Ensign recently. The 30 young people rode the hay wagon to a large field where a big bonfire was awaiting their arrival. After group singing, everyone enjoyed listening to special guest speaker Rev. Jim Riley of the Marinette Baptist Church.

The evening closed with refreshments served at the old Lindquist farm house. The Y. F. C. is Youth For Christ, an interdenominational group, which meets at the Gladstone High School with Paul Smith as adviser.

Ensigners Meet

Ensigners 4-H club will meet at the Ensign Township Hall at 7 p.m. Tuesday, Jan. 5. A conservation program will be given.

Altar Society

Members of St. Charles Borromeo Altar Society of Rapid River will hold a meeting Thursday, Jan. 7 at 8 p.m. at the church parish hall. This meeting will be preceded by the recitation of the Rosary in the church at 7:45 p.m.

Mr. and Mrs. William Brotherton and children of Houghton were holiday visitors at the home of his parents, Mr. and Mrs. Kenneth Brotherton.

Fellowship Meeting

Women's Fellowship of Rapid River Congregational Church will meet Wednesday, Jan. 6 at 8 p.m. All women of the church are invited to attend this meeting.

Garden Peninsula

Dr. and Mrs. Alpha E. Bernard and daughter, Darlene, returned to Clarion, Penn., after spending a week at the home of his mother, Mrs. Edgar Bernard.

THE FORMER Sandra Lee Pierce and Larry Paul Carlson repeated marriage vows in a Dec. 28 ceremony at All Saints' Catholic Church in Gladstone. The bride is a daughter of Mr. and Mrs. Kenneth Pierce, 1410 Wisconsin Ave. Milwaukee will be the home of the newlyweds. (Gordon Nelson Photo)

Betsy Larson Bride Of Vance J. Anderson

At 4:30 p.m. Sunday, Dec. 27 in Ascension Chapel, Lutheran School of Theology, Rock Island, Ill., Miss Betsy Jean Larson, daughter of Mr. and Mrs. J. Robert Larson, 2603 Blackhawk Road, was married to Vance John Anderson, son of Mr. and Mrs. Cyrus T. Anderson, Alexandria, Va.

Dr. Arthur Arnold officiated at the ceremony with Edward Stein as organist and Ned Arthur Vocalist. All are of Rock Island.

The bride's father is a former Escanaban, son of Mrs. J. R. Larson and brother of Mrs. Francis Costley, of 1101 Sheridan Road.

The bride's ensemble included a champagne silk satin gown and handmade lace mantilla which extended over her cathedral train. She carried an arrangement of white daisies and roses. The princess style dress was made with portrait neckline and long sleeves.

A peacock Italian velvet gown was worn by Miss Sue Larson, sister of the bride, who attended as maid of honor. Her scalloped headpiece was of the same material and she carried a circlet of white daisies centered with a lighted candle.

The flower girl, Susan Tobin, Milan, was attired in a peacock velvet dress with smocked waistline.

Henry Benner, Alexandria, served as best man and ushers were Chris Larson and Cyrus Anderson Jr., brothers of the couple.

After dinner at the Blackhawk Hotel, Davenport, the couple left for a wedding trip.

The bride was graduated from Rock Island High School and attended Parsons College, Fairfield, Iowa. She has been employed by Hains Studio, Rock Island, and will be a secretary for Congressman Alec G. Olson of Minnesota.

Mr. Anderson, a graduate of St. Stephen's Episcopal School, Alexandria, attended Cornell University, Ithaca, N.Y. He was graduated from Parsons College and is a student at Georgetown University School of Law in Washington, D.C.

Guests at the wedding were Mr. and Mrs. C. T. Anderson, Miss Jane Anderson and C. T. Anderson Jr. of Alexandria, Mrs. J. R. Larson and Mrs. Francis Costley of Escanaba, Miss Barbara Costley, San Bernardino, Calif., Mr. and Mrs. J. L. Anderson and Mrs. G. W. Mundy, Independence, Mo., Henry Benner, Arlington, Va., Mr. and Mrs. Sheldon Bernstein, Washington, D.C., Mr. and Mrs. Louis Rudin, Miss Carol Clarke, Chicago, Mr. and Mrs. Jack Cornberg and Debbie, Los Angeles, Miss Cynthia Klurfeld, Great Neck, N.Y., Mr. and Mrs. C. F. Hoover, Bloomington, Ill., Mr. and Mrs. Louis Ostrom, Beaver Dam, Wis.

Silver Wedding

Mr. and Mrs. Onni Sikkila were surprised by friends and neighbors in honor of their 25th wedding anniversary at their home. Their sons, Robert of Northern Michigan University, Marquette, and Bruce from Ferris, Big Rapids, were home for the occasion.

Personals

Mrs. Wilfred Villeneuve, Gladstone Rte. 1, spent the holidays with her son and family in Pontiac.

Man Escapes Flaming Home

Fashioning a rope from knotted sheets and blankets, David Moyle lowered himself to the ground from a second floor bedroom window and escaped from flames that gutted the Moyle home at 225 S. 25th St. early Sunday morning.

Escanaba firemen said that if he had attempted to leave his bedroom by the stairway he would probably have perished.

Moyle, the proprietor of Dave's Wrecker Service, was awakened by the fire about 6 a.m. Sunday. The family was away on a visit and he was alone in the house.

Going to the closed bedroom door, Moyle found it so hot that he decided to escape through the window. He made a rope of sheets and blankets, broke the glass, and descended to the ground. He cut himself on glass in escaping through the window.

Firemen said that if Moyle had opened the bedroom door and tried to escape he would probably have dropped through an opening that had burned in the stair landing.

Flames engulfed the interior of the dwelling by the time firemen could be summoned. Cause of the fire was not determined.

On Sunday at 10:35 p.m. firemen were called to the George Coan residence, 413 S. 7th St., where a television set had shorted.

Miss Clara Penny, Gladstone Area, Called By Death

Miss Clara I. Penny, 73, of Gladstone Rte. 1, died at 5:30 a.m. today at St. Francis Hospital three hours after her admittance.

Miss Penny was born in Thorpe, Wis., Jan. 1, 1892, and had lived in the Gladstone area 24 years. She is survived by two brothers, Raymond and William, Gladstone Rte. 1.

Friends may call at the Anderson Funeral Home from 4 to 9:30 p.m. Tuesday. Complete services will be held Wednesday at 1:30 p.m. at the funeral home chapel. The Rev. Karl J. Hammar, pastor emeritus of Central Methodist Church, will officiate. Burial will be in Gardens of Rest Cemetery.

Mrs. Christensen, Local Resident 42 Years, Dies

Mrs. Elizabeth E. Christensen, 64, of 1031 Washington Ave., and a resident of Escanaba for 42 years, died at home at 5:25 p.m. Sunday.

Mrs. Christensen was born Jan. 13, 1900 at Wilson. She was a member of Christ the King Lutheran Church.

Survivors include her husband, Earl P.; one son, Raymond of Escanaba; one daughter, Mrs. Robert (Nancy) Johnson of Iron Mountain; two sisters, Mrs. Delore (Mary) Cota of Wilson and Mrs. George (Kate) Mott of Menominee; two brothers, Anthony Mott of Bark River and William Mott of Wilson, and three grandchildren.

Friends may call at the Allo Funeral Home from 3 to 9:30 p.m. Tuesday. Complete funeral services will be held at the funeral home chapel at 2 p.m. Wednesday with the Rev. Erland Carlson officiating. Burial will be made in Lakeview Cemetery.

Motorist Hits 5 Parked Cars, Police Report

Carl A. Nelson, 53, of 1105 1st Ave. N., was summoned to appear in Escanaba Municipal Court for reckless driving and leaving the scene of a property damage accident at 8:59 p.m. Sunday, Escanaba police said today.

Police reported that Nelson's car struck five parked automobiles in the 1400 block, Ludington St., and the 100 block, N. 15th St. The cars are owned by Robert Rae, 1432 Sheridan Road; Gus Sanders, 1215 7th Ave. N.; Edward Berg, 1600 Lake Shore, Gladstone; Daniel Evans, Wells; and John Farrell, Gladstone Rte. 1.

Two Drown Near Three Rivers As Boat Capsizes

THREE RIVERS (AP) — Two fishermen drowned near this southwestern Michigan community Saturday.

St. Joseph's County Sheriff's deputies identified the victims as Donald Boris of rural Three Rivers and Ronald Regel of Mendon. Both victims were reportedly in their forties.

A witness told deputies he saw the pair's boat capsize on Corey Lake, five miles west of Three Rivers.

Michigan State Police skindivers said they had recovered one of the bodies but were still searching for the second.

PHOTOGRAPHS TAKEN at Escanaba Area High School during a test exercise involving emergency medical supplies and a 36-bed hospital stored at the school were examined last week by U.S. Air Force officers from K. I. Sawyer AFB and local civil defense officials. Pictured are, from left to right, Maj. Carl Baldt, executive director of the base hospital; Mason Johnson, Delta County civil defense director; Maj. Frederic Stone, commander of the 806th Medical Group; and Wesley Hansen, chairman of the county civil defense committee. (Daily Press Photo)

Field Hospital At High School Tested, Proved

A natural or nuclear disaster may never come to Escanaba or to the Upper Peninsula, but if one does Escanaba Area High School can be transformed into a functioning emergency hospital in less than three hours.

This was one conclusion reached by U.S. Air Force medical officers from K. I. Sawyer AFB and Mason Johnson, Delta County director of civil defense, after test exercises at the high school last month.

Maj. Frederic Stone, director of base medical services and commander of the 806th Medical Group stationed at K. I. Sawyer, and Maj. Carl Baldt, executive director of the base hospital, were in Escanaba last week conferring with Johnson, school officials, and civil defense leaders.

"It takes about an hour to get our people down here," Stone said, "but the hospital should be up and functioning in a three-hour period. We should be able to begin receiving patients in less than two hours."

"Things that would be needed first are stored in the most accessible areas," he said. "All of the supplies are portable."

Test Conducted

In the catacomb-like tunnels running beneath the high school, 96 tons of medical supplies and hospital equipment is stored, ready for use at the drop of a disaster.

Included is a 36-bed field hospital, X-ray machines, emergency operating equipment, drugs, etc.

Briefly Told

The regular meeting of the Escanaba Exchange Club will be held at 7 p.m. Tuesday at the House of Ludington.

Marriage license applications were made at the County Clerk's office by Stephen Wilmore Berglund, 630 Lake Shore Dr., and Patricia Ann David, Grand Junction, Mich., and by Clayton Carl Carlson and Dorene Dorothy Trenary, both of Rte. 1, Gladstone.

Davey Lee Juhl, 24, of Escanaba Rte. 1, was ticketed by Escanaba police for following too closely after an accident involving two cars at 12th and Ludington St. at 2:30 p.m. Saturday. The other car was driven by Melvina Raymond, 324 S. 18th St., who complained to police of pain after the accident.

Veterans who intend to apply for homestead tax exemption in Escanaba are asked to bring their deeds and discharge papers with them to the office of the city assessor in the City Hall. Unless they bring their deeds and discharge papers their application cannot be processed.

Traffic court tickets have been issued by Escanaba police to Steve A. Cletcher, Escanaba Rte. 1, speeding; Richard G. Badenski, Sault Ste. Marie, disobeying a stop sign; Elmer D. MacKnight, 413 Delta Ave., Gladstone, disobeying traffic signal; Theresa Marie Rose, 2304 Ludington St., improper lane usage; Wallace F. Beauchamp, Escanaba Rte. 1, and Keith R. Belanger, Wilson Rte. 1, both for speeding.

Beer Included

SAN FRANCISCO (AP) — United Air Lines asked its 8,000 bay area employees last week to contribute one can of food each to stranded northern California flood victims.

The airline reported that everybody complied, except one man. He donated a six-pack of beer.

Berlin Barrier Is Closed Again By Communists

BERLIN (AP) — The Communists closed the Berlin wall again Sunday night after nearly 850,000 West Berliners made Christmas and New Year visits to relatives in East Berlin.

More than 1.2 million West Berliners crossed the wall during the two-week period last year. Under the agreement reached last September the Communists now permit four visiting periods a year. Two more remain, at Easter and Whitsuntide.

By charging each person over 16 entering East Berlin 75 cents for the visit, the Communists collected nearly \$500,000 in hard currency.

A few hours after the wall closed, six East Germans evaded border guards and escaped to West Berlin.

Bolivian Police Revolt Squelched

LA PAZ, Bolivia (AP) — Gen. Rene Barrientos' military junta says it has put down an attempt by the national police to overthrow the government.

The Interior Ministry announced that 20 persons were detained at the National Police Academy after an outbreak there was crushed without a shot being fired. Col. Augustin Morales, commander of the police, was among those held.

Student Stages Triple Murder

WILMETTE, Ill. (AP) — A University of Illinois freshman described as studious and ambitious has been charged with murdering his parents and teenage sister in what he allegedly said was an attempt at the perfect crime.

"I was tired of the whole thing," Harrison Crouse said Sunday after he was charged with the triple murder.

Police quoted Crouse as saying: "I thought I could get away with it. I thought I could commit the perfect crime."

They said he had admitted planning the shooting for two days but could give no reason for it.

Crouse was accused of fatally shooting his father, mother and sister with a 22-caliber rifle Saturday evening in the family

home on Oxford Lane, a street lined with \$40,000 homes in the fashionable North Shore suburb of Chicago.

Crouse, 18, an art and drama major, was a C-plus student at Illinois. He was described by classmates and neighbors as quiet, studious and ambitious.

Before the incident, Crouse, who was home for Christmas vacation was reading "The Quintessence of Ibsenism" by George Bernard Shaw. His sister, Sally, 16, a sophomore at New Trier High School, was

writing a letter in her room; the father, Morris L. Crouse, 47, a certified public accountant and partner in the nationwide accounting firm Haskins & Sells, was dismantling the Christmas tree in the living room; the mother, Norma, 47, was cooking dinner.

Crouse was held in Cook County jail without bond.

A few determined hikers have walked the full length of the 2,050 - mile Appalachian Trail.

Name Gallatin Knicks' Coach

NEW YORK (AP) — Square-jawed Harry Gallatin came back to his old stomping grounds today to take charge of the New York Knickerbockers with whom he rose to National Basketball Association stardom more than a decade ago.

Gallatin, 37, was named coach of the Knicks Sunday, just a week after he guided St. Louis to a 99-89 triumph over New York and then was promptly fired as coach of the Hawks.

No salary was announced, but it is believed to be in the \$20,000-\$25,000 bracket.

As Knicks' coach, Gallatin succeeds Eddie Donovan, who was handed the post of general manager. Donovan was in his fourth season as coach. The Knicks finished last in the NBA's Eastern Division during each of Donovan's three complete seasons.

Gallatin takes over the coaching reins with the Knicks buried in last place in the East. The club has won 12 and lost 26 and trails the leading Boston Celtics by 20 games.

Gallatin, known for his "fighting, feuding and fussing" both as a player and coach, was nicknamed the "Iron Man" during his 10 years as an NBA player. He saw action in 682 consecutive regular season games and 64 straight playoff contests, a record since broken by Dolph Schayes and Jo Kerr.

Gallatin played in the first seven league All-Star games while he was with the Knicks and is the only New York player ever to be named to the All-Star first team. He also holds team records for most rebounds in one season with 1,098 and most rebounds in one game, 33 against Fort Wayne in 1953.

Court Battles Ahead For Pro Grid Teams

By The Associated Press

The National and American Football Leagues, heading for court battles over two college players, plan no disciplinary action against Minnesota and Houston for signing four Oklahoma gridders before their college eligibility expired.

A larger problem confronting the belligerent pro leagues, though, could be whether they plan to co-operate with the schools and each other in eliminating the practices that have aroused the wrath of college officials.

Executive Director Walter Byers of the National Collegiate Athletic Association is hopeful but also realistic about the prospects of co-operation.

"We have urged these people to set their drafts back until after Jan. 1, but they have refused to do it," Byers told The Associated Press Sunday night.

"We've met with them before but not with both leagues together as far as I know. To my knowledge we've never had them in the same room together."

Byers was talking about the possibility of a joint meeting at next week's NCAA convention in Chicago. Both leagues have indicated they would have representatives at the meetings.

The NCAA's concern stems from the signing of four Oklahoma players before the Sooners' Gator Bowl clash with Florida State Saturday. The AFL Houston Oilers signed tackle Ralph Neely, who later also signed with Dallas of the National League.

The Minnesota Vikings of the NFL signed fullback Jim Grisham, receiver Lance Rentzel and end Wes Skidgel.

After The AP learned the NFL would take no action against the Vikings, Assistant Commissioner Milt Woodard said the AFL also would not penalize the Oilers.

Under the AFL's by-laws, Woodard explained, the league definitely would approve Houston's contract with Neely.

"We inherited our by-laws and regulations from the NFL," Woodard said. "Both leagues allow the signing of a player once he is drafted in the selection meeting. The NFL states very specifically that a boy can sign after he is drafted although he cannot play with a club that year."

"We have to go along with that concept. If we have differ-

ent rules, we're in trouble. We've got to compete with these people."

In the opinion of college officials, the leagues also must co-operate with each other.

Woodard said the AFL is ready to do just that. Commissioner Pete Rozelle of the NFL was not available for comment.

The leagues apparently will get their chance to co-operate at the NCAA convention. Committees of the NCAA and the American Football Coaches Association will meet to discuss the matter of early signings and

other subjects of interest to the pros and colleges.

"The only good answer," the NCAA's Byers said, "is if both leagues would agree not to draft players until after Jan. 1 and not to draft a player who has football eligibility remaining. That would solve 95 to 98 per cent of the problem."

Under the present system, both leagues can draft red-shirts, players whose original classes will graduate the following June but who have one year of college eligibility left.

One such case was All-American tackle Jim Wilson of Georgia. He was drafted in 1963, then signed a contract with Boston of the AFL before last season and played the entire season for Georgia. He became the season's first double signer when he put his name on an NFL San Francisco contract after the Sun Bowl.

Neely signed with Houston Dec. 1, then decided against playing for the Oilers and signed with the Cowboys of the NFL last Friday after he had been declared ineligible for the Gator Bowl.

Both the Wilson and the Neely cases appear headed for court. They would be the first legal battles since the AFL won three cases before the 1960 season involving Billy Cannon and Johnny Robinson of Louisiana State and Charlie Flowers of Mississippi. Those have been the only court cases between the two leagues.

The Neely and Wilson cases, however, wouldn't necessarily reach the legal battle stage until next summer when they would begin practicing with one of the teams.

Big Ten Action Gets Under Way

CHICAGO (AP)—After a rugged non-conference schedule in which they compiled a 62-31 (.663) winning edge over outside opposition, Big Ten basketball teams plunge into the championship race this week.

Indiana, emerging as the only unbeaten team after polishing off nine non-league foes, invades tough Illinois (8-2 over all) Monday night while Wisconsin (5-4) is at Iowa (5-4) in the only other Big Ten game.

A full round of title action is on tap Saturday with Northwestern (4-6) at Indiana in a regionally televised matinee.

Illinois at Michigan (8-2), Iowa at Michigan State (4-5), Wisconsin at Minnesota (8-2) and Ohio State (6-4) at Purdue (6-3).

The race shapes up as one of the best in years. But the start is especially rugged for the ambitious Illini, who already have one conference victory. They defeated Wisconsin 70-56 last month in the only conference game played to date.

The Illini's title dreams could

soar or be roughly jolted in the first week of full-scale title firing. If they defeat both Indiana and Michigan, they will be on the inside track. Losing both might prove too much to overcome.

Pre-conference competition ended Saturday. Minnesota downed Detroit 80-66 with Lou Hudson hitting 25 points. Ohio State defeated Georgia Tech 73-68 behind the 23-point output of Jim Shaffer.

Michigan's top-ranked Wolverines were spilled 75-74 by St. John's in the finals of New York's holiday festival. Michigan blew a 16-point lead midway in the second half. The Wolverines' only other loss was by one point to Nebraska and in that one they also saw a big lead vanish in the closing minutes.

Back home again in Indiana — that's where the Hoosiers may wish they were tonight.

Indiana, one of the two remaining unbeaten major teams in the country, goes up against Big Ten foe Illinois in the Assembly Hall at Champaign and, as any good Illini can tell you, it's quite a job to beat Illinois at home.

Take defending national champion UCLA for example. The Uclans, making a run at collegiate basketball's top rung with an eight-game winning streak, went into Champaign early in the season and the Illini raced off to a 110-83 victory.

UCLA got out of town fast and hasn't lost since. Last week the defending champs won three games and that's considerably better than some of the other ranked teams did.

Michigan, No. 1 team in the country, barely beat Princeton with a late rally and then blew a 16-point bulge to lose the ECAC Holiday Festival in New York to St. John's 75-74.

St. Joseph's of Philadelphia, ranked No. 10, wrought a bit of havoc in the Quaker City Classic, beating first No. 6 Illinois 75-71 and then No. 2 Wichita 76-69 to take the title. Just as the Hawks looked ready to start scoring, up popped that other unbeaten team, Providence, to score a 65-61 victory.

That gave the Friars eight straight victories, one less than Indiana.

The Hoosiers, who were ranked No. 7 last week, whacked ninth-ranked St. Louis here last Saturday.

98-68 and then belted Memphis State 91-68.

Illinois, which beat Wisconsin last month in the only Big Ten game played so far this season, moved into its brand new 16,000 seat home arena for good last season and ran up a 7-3 record. That's not bad for a club which was only 13-11 over-all. This year the Illini have won all three starts at home including the big one against UCLA.

And while Illinois and Indiana clash in the Big Ten's first important game, Michigan, licking its wounds after its Holiday Festival jolt, promises to be a factor in the upcoming league race too.

In other important games tonight, Wichita is at Bradley, Wisconsin plays at Iowa, Louisville hosts Drake, Kansas visits Nebraska, Tulsa is at St. Louis and Seattle is at Idaho State.

Wet Trip For Michigan Band

SAN FRANCISCO (AP)—The University of Michigan marching band returns home today after a soggy concert tour through California.

Rain fell during concerts at San Diego, San Francisco and Oakland. It rained as the band marched down Post Street here, playing the "Victors," the school's exuberant fight song.

It poured as the band stomped through the mud to play at the East-West football game here last Saturday.

It didn't rain during the Rose Bowl game New Year's Day at Pasadena as Conductor William Revelle led his men through the traditional footwork and melodies. Another band, known as the Michigan football team, swamped Oregon State that day, 34-7.

"Please, just one cookie?"

Not long ago, Mrs. Barbara Saylor, Michigan Bell telephone operator in Flint, heard the hesitant voice of a small boy asking her if it was all right if he ate a cookie.

"But it's so near dinner," was her reply.

"Mommy's not here to make dinner, and I'm hungry."

"Where is your mommy?" Barbara inquired.

"She called...the car broke...she'll be late. I sure would like a cookie."

Barbara hesitated a moment.

"Please, just one cookie?" pleaded the boy.

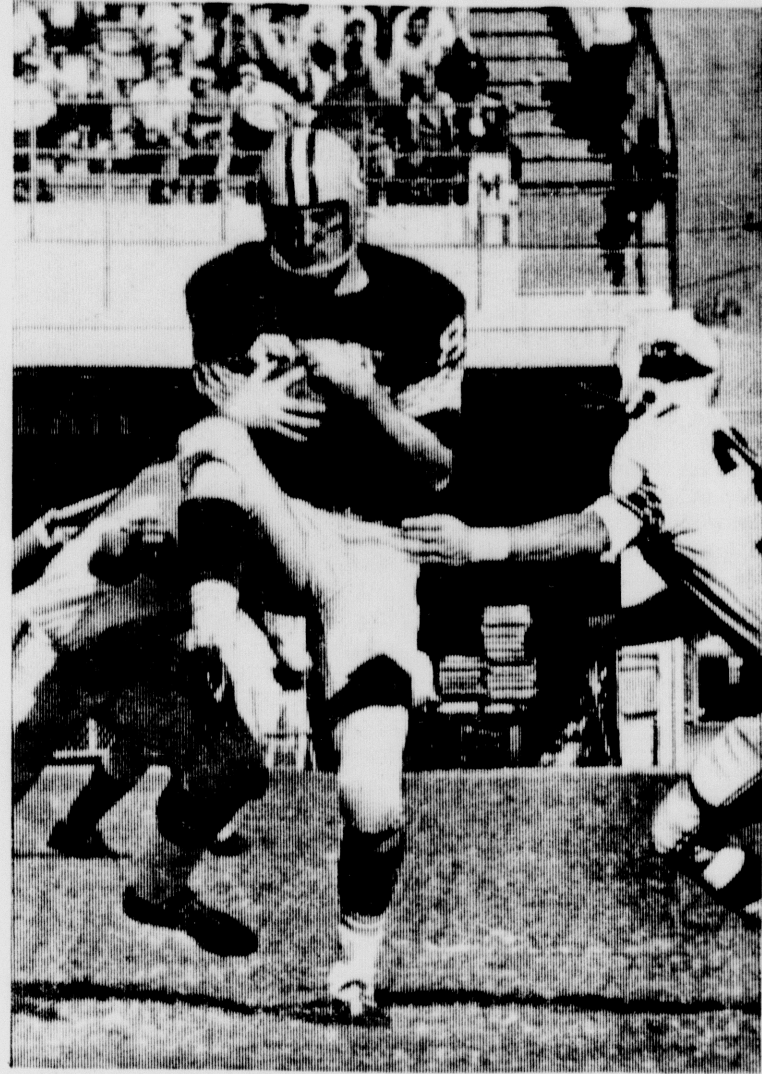

"Instead," suggested Barbara, "why don't you spread yourself a nice slice of bread and butter? I'm sure Mommy will give you a cookie after dinner. Will you be a good boy and do that for me?"

"Okay," replied the youngster, disappointed but reassured that, somewhere, a nice woman was at hand to offer a bit of motherly advice until his own mother arrived home.

Nothing unusual about this little incident. Just another example of how telephone people are naturally friendly and thoughtful. You see, with Michigan Bell, friendly service is a way of life.

Michigan Bell
Part of the Nationwide Bell System

BOYD DOWLER, Green Bay end, takes an 11 yard pass from quarterback Bart Starr in second period of Sunday's playoff bowl game against St. Louis Cardinals. Cardinal defensive backs Larry Wilson (left) and Pat Fischer make the tackle. (AP Wirephoto)

Gambrell Hero As Cards Spill Favored Packers

MIAMI (AP) — Billy (Peanuts) Gambrell, one of the smallest players in the National Football League, made himself a big target for Charley Johnson's passes and the St. Louis Cardinals upset the favored Green Bay Packers 24-17 in the Pro Football Bowl Sunday.

The 167-pound Gambrell, a free agent picked up by the Cardinals from South Carolina, caught two touchdown passes from Johnson, one an 80-yard play, as the Cardinals took a 17-3 lead in the third quarter.

A Green Bay attack in the final period put the Packers back into contention, but the threat died with Jimmy Burson's end-zone interception of Paul Hornung's pass meant for Ron Kramer.

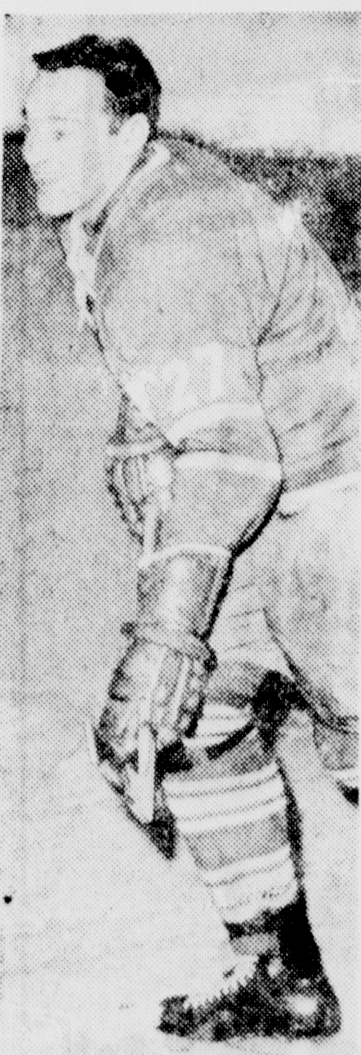

Gambrell, who had seen regular service only since mid-season when Sonny Randall was injured, was voted the most valuable player. He caught six passes for 184 yards, setting a Playoff Bowl record.

It was the first victory for the East in the game of NFL runners-up.

Iron Rangers Beaten Twice

MARQUETTE — The Iron Rangers suffered a double blow in United States Hockey League action here over the weekend, bowing to Waterloo's defending champions 8-2 Saturday night and 4-3 in sudden death overtime Sunday afternoon.

In other weekend action, the Green Bay Bobcats also dropped a pair of decisions to Rochester. Green Bay bowed 5-3 Saturday night and 10-2 Sunday.

WARMING UP—Out of action for three weeks with an undisclosed illness, Toronto Maple Leaf hockey star Frank Mahovlich comes back to the ice for practice before returning to full duty.

The first all-America football team in 1839 had five players from Princeton, three from Harvard and three from Yale.

Michigan Isn't Champion Of East--In Basketball

ANN ARBOR (AP)—Michigan may be "Champions of the West," as the fight song says, but it isn't champion of the east.

While the Wolverine football team crushed Oregon State 34-7 in the Rose Bowl New Year's Day game on the West Coast, the No. 1 ranked basketballers blew a 16-point lead and lost a 75-74 decision to St. John's of New York in the championship of the Holiday Festival Saturday on the East Coast.

Ullman Gets Stick In Eye

By The Associated Press

Norm Ullman's batting eye appeared none the worse for wear today but the Detroit Red Wings were seeing red.

Ullman fired two goals — his 17th and 18th of the National Hockey League season — Sunday night as Detroit bombed the Boston Bruins 8-1. Red Wings Coach Sid Abel, however, was still seething over the eye gash his scoring star received the previous night in a collision with Toronto defenseman Carl Brewer.

"It's a disgrace what Brewer gets away with," Abel fumed after the Wings' 3-1 loss to the Maple Leafs at Toronto Saturday.

"Let's say his face ran into my stick," was Brewer's account.

"Blood was drawn and I guess there should have been a five-minute penalty, but the referee said he didn't see it," said Ullman, whose goals total is second only to record-bent Bobby Hull of Chicago.

Hull netted his 32nd of the season — 18 short of the NHL season mark he shares with Maurice Richard and Bernie Geoffrion — but the Montreal Canadiens snapped the Black Hawks' 13-game unbeaten skin 2-1 on Claude Provost's third-period breakaway goal Sunday night.

The Maple Leafs and New York Rangers battled to a 3-3 tie in a game which may have cost injury-plagued Toronto the services of center Dave Keon. Keon suffered a deep skate cut inside his right thigh in the closing minutes and the wound required 10 stitches.

Eagles Retain Unbeaten Mark In GLC Ranks

SOO—The Stephenson Eagles maintained their undefeated status in the Great Lakes Conference race when they stormed over Sault Ste. Marie, 61-51, her Saturday night.

Coach Guss Lord's Eagles made it three straight victories in conference competition while handing the Blue Devils their fourth straight GLC setback. Soo is the defending league champion.

The Eagles almost blew it by scoring only two points in the third quarter but rallied for a 26 point explosion in the final period to win going away.

Deadeye guard Dave Bush paved the path to victory with nine outside field goals for 18 points while big Jerry Hittman tallied 16 for the Eagles who have a 4-2 record overall.

Soo had three players in double figures, led by Ray Allen with 155 points. Dick Adkins added 14 and Billy Smith an even dozen.

Bailey Howell Nears Record

By The Associated Press

Bailey Howell is just two shots away from one National Basketball Association record and the Boston Celtics 27 games away from another.

Howell hit all 14 shots from the floor Sunday in the Baltimore Bullets' 142-132 victory over San Francisco at Baltimore, giving him 16 in a row and just two short of the NBA record held by Wilt Chamberlain.

Boston's Celtics whipped the Royals for the fifth straight time, 89-85, in Cincinnati. Los Angeles beat the Hawks 99-92 at St. Louis in the only other game scheduled.

The Celtic triumph was their eighth in a row and increased their Eastern Division lead to 7½ games. And, with exactly half of the season's schedule — 40 games — completed the Celtics would appear to be on the way to breaking their own record of 60 victories in a single season.

They need only 27 of their last 40 to tie it, 28 to break, both figures far below their current pace of 82½.

Howell finished with 37 points while teammate Don Ohl contributed 35.

Red Wings Trim Boston By 8-1 To Keep Third

DETROIT (AP) — Detroit's Red Wings buried the Boston Bruins under an avalanche of goals Sunday night, winning 8-1 in keeping a safe hold on third place, in the National Hockey League race.

For all the Red Wings' big scoring, however, they remained stationary in the standings. The Montreal Canadiens protected their league lead by beating the runner-up Chicago Black Hawks 2-1 in their showdown game at Chicago while the Toronto Maple Leafs tied the New York Rangers 3-3.

Detroit, which meets Montreal Wednesday at Montreal, now trails the leaders by seven points and Chicago by four. The Wings have a three-point margin over fourth place Toronto.

Bombarding Boston goalie Ed Johnson with 56 shots, including the eight that went into his net, the Red Wings made the Sunday night game a shoo-in for themselves.

Bruce MacGregor and Norm Ullman got two goals each in Detroit's heaviest offensive display of the season.

The crippled, last place Bruins were missing four regulars from injuries, among them Reg Fleming, hurt Saturday night against Montreal.

Among the Red Wings who fattened their averages was Gordie Howe. Howe failed to score a goal but contributed three assists.

MacGregor banged in his 11th and 12th goals of the season around a counter by Pit Martin, his first in 11 games, as Detroit took a 3-0 first period lead.

The Wings fired 22 times at Johnson in the first period while their own goalie Roger Crozier

Florida State Pair Sets Gator Bowl Pass Records

JACKSONVILLE, Fla. (AP) — "Our offense was able to capitalize on their defense," is the way Coach Bill Peterson explained his Florida State Seminoles' 36-19 victory over Oklahoma in the Gator Bowl Game.

It may have been the only football game ever played with nine touchdowns and only one extra point.

FSU felt the absence of place-kicker Les Murdock Saturday. He was ruled out on the eve of the game after it was learned he attended the University of Tampa in 1959. There was some question about whether the limit of five years eligibility from first enrollment applied to him.

Oklahoma kicked the only extra point, made after its first touchdown. Butch Metcalf put the Sooners ahead 7-6 with the boot. After the second Oklahoma touchdown, he also made the kick, but Florida State was

A sellout crowd of 18,499 Madison Square Garden buffs cheered lustily as the Redmen led by 6-foot-7 Dave Dove—stopped Michigan in its tracks with a full-court press.

"We were playing our best game of the turney," said Wolverine coach Dave Strack. "We were taking the play to them and we thought we had full command."

"Then St. John's went into a press and I thought we'd gobble them up. But their press was effective, they had some steals and Dove made a critical steal and the momentum was turned."

With 10 minutes to play, Michigan held a 68-52 lead. But with Dove leading the charge, St.

Huskies Edge Duluth Sextet

By The Associated Press

Michigan college hockey teams won two of three games on the road Saturday.

Michigan boosted its season record to 6-2-1 with a 7-1 victory over Cornell at Ithaca, N.Y.; Michigan Tech edged Minnesota Duluth 4-3 and Michigan State bowed 6-5 to Providence in the second of two sudden death overtimes in a consolation match of the Brown Holiday Hockey Tournament.

Florida State Pair Sets Gator Bowl Pass Records

offside on the play and the Sooners took the penalty, trying for two points from the 1½. It failed.

"I guess it was the only point our team ever gave away like that," Coach Gomer Jones said. "But we were behind 24-13 and thought it was worth going for two."

It was a record — breaking game in many respects, and the big record-breakers were quarterback Steve Tensi and All-America flanker Fred Biletnikoff.

They were the key men in FSU's pro-type offense that ridiculed the Oklahoma defense.

Their records and Gator bowl marks they erased:

Tensi completed five 'touchdown' passes, Galen Hall of Penn State completed three in 1961.

Tensi attempted 36 passes.

John's outscored the taller, stronger Wolverines 18-2 to knot the score at 70-all with 2:30 left.

A field goal and free throw by Jerry Houston gave the Redmen a 75-72 margin a few minutes later. George Pomey, whom Strack started in place of slumping Oliver Darden, got the last Michigan basket on a tip-in with 19 seconds to go. The Wolverines got another chance with seven seconds left but—without Cazzie Russell — Were unable to get off a shot.

Russell fouled out late in the game after scoring 24 points.

Michigan led at the half 39-35 and steadily built up a 16-point margin well into the second half. But the St. John's press

Butkus Is Goat In Shrine Game

SAN FRANCISCO (AP) — Since they were 10-year-olds, Craig Morton and Jack Schraub have been playing catch with a football.

They did it in grammar school, junior high, high school and finally at University of California, where Morton set Pacific Athletic Conference passing records and Schraub set school marks for catching. Then both signed professional contracts with the Dallas Cowboys of the National Football League.

So it should have come as no surprise to the East All-Stars that when Morton faded to pass Saturday with 1 minute, 4 seconds left in the 40th East-West Shrine game and his West team trailing 7-4, he was looking for his long-time teammate.

Morton found Schraub in the East end zone with a six-yard scoring pass that propelled the West to a comeback 11-7 victory before 60,000 fans.

A steady rain, driven by strong winds, fell throughout most of the game. And the field, already sopping from several weeks of rain, resembled a swamp.

Neither team could manage anything approaching a scoring drive through the first two periods. Fumbles were frequent and players often slipped to the ground with no one close to them.

Then Navy quarterback Roger Staubach, the 1963 Heisman Trophy winner, got off a 37-yard pass to Michigan State's Dick Gordon at the East 12.

Gordon and Indiana's Tom Nowatzke juggled the ball to the five, then Staubach splashed to the one where he was knocked

OUR BOARDING HOUSE with Major Hoople OUT OUR WAY

by J. R. Williams

January Term Jurors Drawn

Jurors have been drawn for the January term of Circuit Court which begins Jan. 11. Included on the docket are several civil cases, seven cases involving divorce matters, two support cases, four auto negligence cases and one continued criminal case involving Harold Jeffrey Bouchard.

The veniremen are: Marguerite M. Denman, West Shore Drive; Jack W. Phillips, State Road; Otis E. Nelson, 114 N. Fifth St.; Betty E. Branyan, 127 Arbutus Ave.; Laura Denny, 224 Oak; Frances M. Wedegartner, 233 Walnut; Bernice C. Mathson, 538 Manistique Ave.; Catherine Belleville, Garden Ave.; Howard Shampine, 644 Park Ave.; Linton Seaman, Doyle Twp.; Gulliver; Fred MacGregor, Doyle Twp.; Gulliver; Harold Gilman, Germfask Twp.; Germfask; Betty Hartman, Germfask Twp.; Germfask; Ian McKilligan, Hiawatha Twp.; RFD, Manistique; Margaret McNeil, Hiawatha Twp.; Indian Lake; William Winkel, Inwood Twp.; Cooks; Joseph Hardy, Inwood Twp.; Cooks; Gerald Weber, Manistique Twp.; RFD, Manistique; Jennie S. Chartier, Manistique Twp.; RFD, Manistique; Earl Hamiel, Mueller Twp.; Gulliver; Vern Goudreau, Mueller Twp.; Gulliver; Uriah DePaz, Thompson Twp.; Thompson; Franklin Fiedler, Thompson Twp.; Thompson; Ralph Smithson, Seney Twp.; Seney.

MANISTIQUE

Hospital

Admitted to Schoolcraft Memorial Hospital were William Hicks, Rte. 1; Marilyn Frazer, Naubinway; William Jenerou, Rte. 1; Jo Ann Peterson, 644 Garden Ave.; Linda Grimes, 532 Oak; Isabella Bunker, 229 Schoolcraft; Lawrence Boyd, 177 N. Cedar; Edward Udell, 347 Maple. Discharged were James Marks, Kathy Zalac, Clara King, Dorothy Mulligan, Lori Walters, Arden Swisher, Lois Middaugh, Henry Gagnon, William Arnold, Nancy Dalgord and baby, William Anthony and Donna Gould.

Three Accidents Are Reported

State Police investigated three accidents during the weekend. None involved injuries. A car driven by Victor K. Blomstrom, 26, of Saginaw, hit a Delta Road commission grader operated by Wesley Horning, 57, of Garden, at 4:20 p. m., Saturday on U.S. 2, 2 miles west of the Schoolcraft county line, in Garden Township. Blomstrom pulled back into his traffic lane due to oncoming traffic, as he attempted passing, and slid due to road slush. A car driven by Wallace G. Bridges, 22, of 210 N. 1st St., went out of control and hit guardrails on U.S. 2, 100 yards west of Schoolcraft 439, at 6:35 p. m., Saturday. He swerved for a car over the centerline and lost control. At 3:50 a. m., Saturday, a car driven by Nicholas Moders, 65, of Rte. 1 hit a deer on U.S. 2 in Garfield Township of Mackinac County.

'Tony' Swetich Dies Jan. 1

Anton Joseph Swetich, 65, who had been living on the Alphonse Verschure farm in Hiawatha Township, died at 6:15 p. m., Friday in Schoolcraft Memorial Hospital where he had been a patient several days. He was born in Austria on Oct. 6, 1899 and became a naturalized American citizen in 1916. He had resided in the Manistique area for many years. The body was removed to the Kefauver & Jackson Funeral Home where liturgical prayers will be recited at 8:30 p. m. today. Funeral services will be conducted at 9 a. m. Tuesday at St. Francis de Sales Church.

Obituary

VICTOR J. BEAUDRY
Complete funeral services were held at 10 a. m., Saturday in Messier-Broulliere Funeral Home for Victor J. Beaudry, 75, of 133 S. 5th who died Dec. 30. The Rev. Terrence Donnelly officiated. Burial will be in Fairview Cemetery in the spring.

VICTOR S. FREEMAN
Complete funeral services for Victor S. Freeman, 60, who died Dec. 30 in University of Michigan Hospital were held Sunday at 2 p. m., in Messier-Broulliere Funeral Home with the Rev. David van Gorkom officiating. Burial will be in Fairview Cemetery.

RICHARD LAMIRAND
Funeral services for Richard O. Lamirand, 56, of 700 Michigan Ave., who died Jan. 1 were held today at 2 p. m., in Messier-Broulliere Funeral Home with Rev. Roy Pitts officiating. Burial will be in Fairview Cemetery. Mrs. Roy LaMarche was organist.

LONNIE GENE COLE
Funeral services for Lonnie Gene Cole, 5 months, of Germfask, who died Dec. 30, were held at 2:30 p. m., Saturday in Fernland Mennonite church with the Rev. Bruce Handrich officiating. Burial was in Germfask Cemetery. During services a quartet consisting of Mrs. Bruce Handrich and Penelope, Ricky and Anthony Handrich sang. Messier-Broulliere Funeral Home was in charge.

MRS. ABEL WILLCOCK
Funeral services were conducted at 2 p. m., Saturday in First Methodist Church for Mrs. Abel (Bertha) Willcock, 85, of 121 N. Houghton, who died Dec. 29 in Detroit. The Rev. Harry J. Davidson officiated. Burial was in Fairview Cemetery. Pallbearers, grandsons, were Dan, Richard and Gary Willcock, Jack and Keith Phillips and Richard McKinnon.

Special Steel Process Ordered

Inland Steel today announced plans to install a unit for production of "alphanized" steel sheets at its Indiana Harbor, Ind., Works.

Inland has been test marketing this new type steel for eight months. During this period the company has been shipping a special-chemistry steel to the Elyria, Ohio, plant of Gasalloy Steel Corp. for "alphanizing." This is a patented process which enriches the surface of the metal with chromium. It is thus given heat and corrosion resistant properties of certain stainless steels while retaining desirable fabricating and welding properties of carbon steel.

Major usage of the new steel has been for automobile mufflers and residential and industrial furnace components, the company said.

O. C. LaBute Of Garden Dies

Orill C. LaBute, 61, of Garden, died at 6 a. m. Sunday at Schoolcraft Memorial Hospital where he had been a patient for six days. He had been in failing health for the past two years.

Mr. LaBute was born July 31, 1903 in Garden and had been a resident of Garden for all but 12 years of his life. He was married on June 10, 1937 in Garden to the former Grace Lake.

A member of St. John the Baptist Church, and Kate's Bay Grange, Mr. LaBute was employed as a farmer.

He is survived by his wife, Grace, of Garden; one son, Orill A. LaBute of Detroit; two step-sons, Charles Gould of Plainwell, Mich., and Vernon Gould of Lincoln Park, Mich.; two step daughters, Mrs. Harry (Thelma) Erwin of Allen Park, Mich., and Mrs. Lawrence (Pauline) Carley of Cooks; three brothers, Hartley and Edgar of Garden and Norman of Denver, Colo.; two sisters, Mrs. Lawrence Anderson of Garden and Mrs. Ray Rathburn of Green Bay, 19 grandchildren and two great grandchildren.

Friends may call at Messier-Broulliere Funeral Home in Garden after 3:30 p. m. Tuesday. Liturgical prayers will be said at 8:15 p. m. Tuesday and funeral services will be held at 9 a. m. Wednesday at St. John the Baptist Church with Fr. James Donnelly officiating. Burial will be in new Garden Cemetery.

Inland Explores Wisconsin Ore

An Inland Steel Co. subsidiary, Jackson County Iron Co., has taken a five-year option to explore and lease approximately five square miles of potential taconite mineral land in Iron County, Wisconsin.

The tract of land, owned by the LaPointe Iron Co., lies southwest of Ironwood, Mich., near the town of Upsen, Wis. Harvie A. Garver of Duluth, president of LaPointe, said that the agreement with Jackson County Iron Co. called only for a program of exploration and drilling which should determine the economic feasibility of a future mining operation in this area.

Jackson County Iron Co., will commence field exploration in January, according to Carl B. Jacobs, president of Jackson and vice president of Inland in charge of raw materials. Jacobs said that his company has no plans at the present time for early operation of the property.

Earthquakes Felt In Three Regions

TAIPEI (AP)—A mild earthquake shook north and east Formosa New Year's Day, but caused no damages or casualties.

ALGIERS (AP)—One person was killed and 38 injured Friday when an earthquake shook the town of M'Sili in eastern Algeria, officials said today.

PARMA, Italy (AP)—Two earth shocks were felt before dawn today in nearby Bogotaro, causing alarm but no damage.

Drinks Can Have Useful Function, Author Declares

NEW BRUNSWICK, N.J. (AP) — All drinking isn't bad, from a social point of view, according to an Australian sociologist writing in the quarterly *Journal of Studies on Alcohol*.

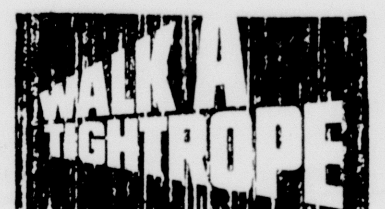

The author, Dr. Harold Falling, says only one type serves a useful social function. He labels it "ornamental, community - symbolic drinking." This drinking acts simply as a symbol of kinship among the persons who drink, he wrote.

"The alcohol is not needed to generate any relationship, but to express the pre-existing solidarity generated by trust."

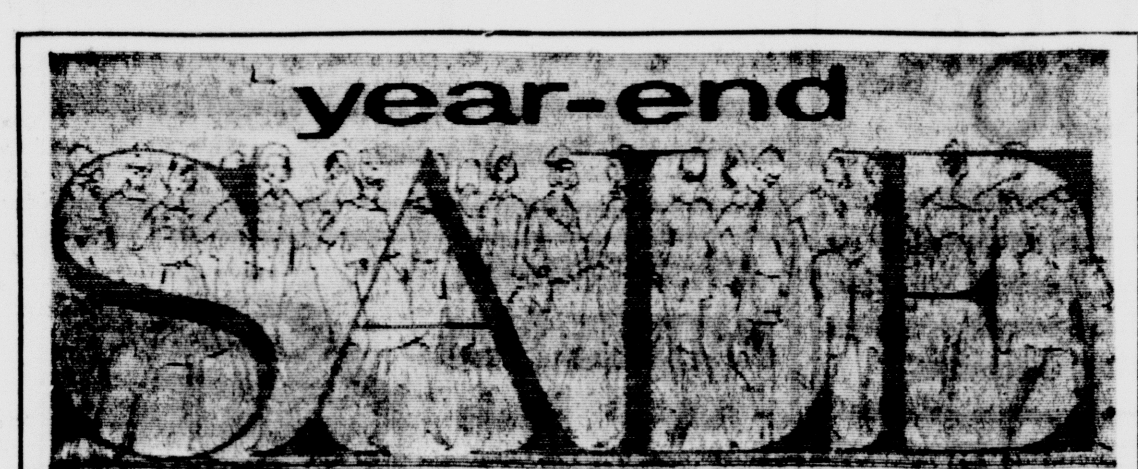

This probably "still occurs in pockets at social gatherings amongst ourselves, but its rarity may perhaps be taken for a sign of the eclipse of community amongst us," the article states.

Briefly Told

The Kipling Smear Club will meet tonight at 8 at the Kipling Town Hall.

August Mattson Post 71, American Legion, will hold a regular meeting at 7:30 tonight at the Legion hall. Lunch will be served at the business session.

Minnevasca Chapter of the Eastern Star will meet in the Masonic Hall on Tuesday at 8 p.m. Members are reminded to bring their items for the coming year. Post Commander Lyle E. Godfrey announced today.

State Police of the Gladstone Post issued traffic tickets Sunday night to Stephen Junion of Flint for speeding and having no operator's license and to Gene Miller of Flint for allowing another person to use his driver's license.

State Police issued traffic tickets over the weekend to James Orzel, 1511 16th Ave. N., Escanaba, failing to stop for stop sign; Clifford Loomis, 1203 Delta Ave., Gladstone, failing to stop for stop sign; Gary LaPlant, Flint, speeding; Bernard Thomma, Rte. 1, Gladstone, speeding.

Two larcenies reported to State Police over the weekend are under investigation today. Russell Kent of Kipling told police that someone had stolen the hubcaps from his car on New Year's night and Leonard Rivers of Rte. 1, Gladstone, reported that about 50 gallons of gasoline had been taken from his car and residence on Co. Rd. D-8 during the past three months.

Richard Rubick, 17, of Powers was ticketed by State Police of the Gladstone Post for violation of the basic speed law, too fast for conditions, after his car bumped a car driven by Clarence LaCasse, 54, of Rte. 1, Escanaba, on U.S. 2 and 41 at the intersection of Co. Rd. C-1 in Pine Ridge Sunday. Police said LaCasse slowed to make a left turn and Rubick was unable to avoid striking the LaCasse car from behind.

Legion Growing In Membership

Reporting a membership of 204 already signed up for 1965 as of Dec. 31, 1964, August Mattson Post 71 of the American Legion here has established a sturdy foundation upon which to build and operate its community service programs for the coming year, Post Commander Lyle E. Godfrey announced today.

Commander Godfrey pointed out that the 1965 membership of Post 71 as of the year-end target date represents an increase of 37 as compared with the advance enrollment for 1964 as of the last day of 1963.

"With the assurance that Post 71 will have both the manpower and the financial resources necessary, we have responded to the dedication of National Commander Donald E. Johnson for full-time active duty in behalf of community, state, and nation," Godfrey said. August Mattson Post will join with the national leadership of the American Legion in the expansion and revitalization of Legion programs designed to serve the young people of this community. This is our contribution toward building a young American strong in mind and body, strong in devotion to God and Country, and dedicated to the principles of justice, freedom and democracy.

The response of Legionnaires and non-member eligible veterans in Gladstone to the "Roll Call" theme of the current drive has contributed to the increased enrollment recorded nationally by Legion, Godfrey pointed out. Responding to the Legion's dynamic record of community service, the eligible veterans of the nation are signing up at a pace which is keeping the nationally recorded enrollment consistently ahead of the figures posted last year, he declared.

Commander Godfrey issued a cordial invitation to any non-member eligible veteran who might not have been contacted by his membership workers to join Post 71 and participate in its programs.

Major Long made the first successful ascent of Pike's Peak in 1820.

Man Is Jailed For Contributing To Delinquency

James A. Bizeau, 21, of 1115 Montana Ave., Gladstone, who was arrested Saturday by State Police and charged with contributing to the delinquency of a 13-year-old girl, pleaded guilty when arraigned before Justice Ross Davis and was sentenced to spend 60 days in the County Jail.

The arrest was the second in four days made by local police after an incident on Portage Point shortly after midnight last Wednesday.

Joseph Leroy Geibel, alias David Hill Stinson, 21, of Mount Vernon, Tex., is also in the County Jail awaiting examination on charges of raping a 15-year-old Escanaba girl. Texas authorities also want Geibel and have filed a warrant charging him with auto theft.

Bizeau and the 13-year-old girl were in the back seat of the car at Portage Point when the alleged rape took place.

Business Moves Fast In State

DETROIT (AP) — Business activity in Michigan moved at a furious pace during 1964 and unemployment plunged to almost record lows, according to a study released by Thomas Roumell, director of the Michigan Employment Security Commission.

And "very little letup" is expected in the first half of 1965 if early settlement is reached on labor contract talks in the steel industry, the report said.

The study also noted: —Nonfarm employment across the state rose to a monthly average of 2.76 million, up 76,600 from the previous year.

—In November and December Michigan's labor force topped 3,000,000 for the first time in five years.

—The last three months of 1964 set successive all-time records for non-manufacturing employment, with retail trade recording the greatest gains; —Monthly unemployment averaged 4.5 per cent for 1964, compared with 5.2 per cent for 1963 and 6.6 per cent the year before; —Unemployment benefits paid during the year totaled \$77 million, down \$14.5 million from 1963.

The rate of progress in 1965 is expected to be somewhat less spectacular, the report said, even if auto sales continue to climb. Unemployment may increase slightly because of rapid expansion of the labor force, it said.

Meat Industry Changes Ways

Consumption of meat took another jump in 1964 to total 173 pounds per person. Of this amount 100 pounds was beef, the other 73 pounds were pork, lamb, mutton, etc.

There was a heavy slaughter of cattle in 1964 which leaves an inventory only slightly larger than a year ago. Prices of feed cattle hit a low of about \$20 cwt. in May. Since then the market has come back to about \$25 per cwt. because of increase in consumption, marketing animals at a lighter weight and some purchasing by the government for the school lunch program.

Pork consumption was down compared to a year ago but the difference was more than made up with the increase in beef. Predictions are that hog prices will be moderately higher in 1965 because supplies will be down. This could mean further gains for the beef producers.

Cattle feeders are going through a change based on consumer demand. Not many years ago most feed cattle reached the market at 1200 to 1300 pounds and a goodly number were graded prime beef, which is the top grade. (The next grade down from prime) was as much as \$5 to \$6 per cwt.

Today consumers want less fat on their meat but still a good quality and this is provided by marketing feed cattle at lighter weight before they have time to put on the extra fat. Most feed cattle today are reaching the market at around 1000 pounds. This means it takes more animals than when they were fed out at 1200 to 1300 pounds.

Putting the lighter cattle on the market still gives the consumer a high quality product if properly fed. The farmer who feeds these animals can turn over his inventory of feeder cattle faster and put on cheaper gains because it takes less feed per pound of gain under 1000 pounds as compared to going over the 1000 mark on an animal.

Low word rates permit a complete description at small cost.

For best results, write your WANT AD naturally and clearly.

Place ad for six times. Cancel when you get results. You will be charged only the number of times run at the current word rate.

1 day — CASH RATE \$1.60

3 days — CASH RATE \$4.80

7 days — CASH RATE \$8.40

14 days — CASH RATE \$16.80

TABLE SHOWING WANT AD COSTS 20 WORDS AND OVER AT THE CASH RATE

Words 1 1m 3 tms 6 tms

20 1.60 3.60 4.80

31 1.68 3.78 5.04

42 1.76 3.96 5.28

53 1.84 4.14 5.52

64 1.92 4.32 5.76

75 2.00 4.50 6.00

Groups of figures count as one word. Each initial is considered the same as one word. For example:

ST 1234 — Two words

325 S. 101 — Three words

A. Smith & Co. — Four words

Errors in advertising should be reported immediately. The Escanaba Daily Press is responsible for only one incorrect insertion.

2. In Memoriam

Tryan

In loving memory of Earl Tryan, who passed away one year ago, January 3, 1964.

Do not ask me if I miss him, For there is such a vacant place, Of I think I hear his footsteps, Or see his smiling face.

For he left me broken hearted, Friends may think the wound is healed, But they so little know the sorrow.

That is in my heart concealed.

Sadly missed by Wife and Children

Pair Of Human Eyes Sent From Detroit To India

LONDON (AP) — Two pairs of human eyes from Detroit were flown to Bombay today to be used for an operation at the Christian Hospital in the Mungeli area.

Detroit ham radio operators and three airlines cooperated in the venture.

The eyes, packed on ice, arrived from Michigan and were immediately transferred to the Indian flight. They have to be in Mungeli, 600 miles northeast of Bombay, within 36 hours of leaving the Detroit eye bank.

Another pair of eyes were dispatched from London Sunday.
